Click on the “Enroll Now” button.

Please note that only the user who sets up the payment plan will be able to make the installment payments.
Use the “Select Term” drop-down box to select the appropriate term, then click “Select.”
All available payment plans will be listed. Plan availability varies by term.

For additional details, click on “View full plan description.”

Select your plan and click “Continue”.
The Plan Enrollment screen summarizes the charges and credits that will be included in the payment plan.

Please note that a down payment reduces the balance due before your account is separated into installments. It does not count as the payment of the first installment.

To continue plan enrollment, click on the “Display Payment Schedule” button.
Your “Total due now” must be paid at time of payment plan enrollment.
Select “yes” for automatic payment of installments or “no” for self-payment of installments, then click “Continue.”

Please read the Payment Plan Agreement in full.

If you agree to ALL terms and conditions, click on the box by “I Agree.”

By agreeing and continuing, you will also be submitting a payment today of $1,609.38 as a part of your enrollment.
You may view the payment plan worksheet and print a copy for your records.

Please note that you still must complete the “Payment Agreement” step before your payment plan enrollment is complete.

Click “Continue” to go to the Payment Agreement.
Read the Payment Agreement carefully. If you agree to the terms and conditions, click on the box by “I agree.” You may print a copy of the Payment Agreement if you wish.

Please note that your payment plan enrollment is not complete until you click “Continue” and receive the confirmation screen.
Print this page for your records.

Click on “My Account” to continue account self-service or click “Log Out” to exit eBill.
