

# **Lab Theatre Directing Qualifications and Priority**

**Student Directors must meet one of the following criteria to be considered eligible to direct:**

1. Have completed TH A 5311 at Texas Tech and received a grade of B or better.
2. Directed a successful play elsewhere that receives a strong recommendation from a Texas Tech Theatre faculty member.
3. Received a strong letter of recommendation from a theatre faculty member at another institution or working professional whose opinion is respected by a majority of departmental members.

## **Directing Priority:**

1. Ph.D. and M.F.A. Acting/Directing student using this show as a thesis or dissertation project and/or any qualified person wishing to direct an original script that is part of their M.F.A. thesis or Ph.D. dissertation.
2. Ph.D. or M.F.A. Acting/Directing student fulfilling departmental directing requirement
3. M.A. student wishing to direct
4. Others not falling into the above categories.
