Title IX Process

1. **Title IX incident report is received**

2. **Report is reviewed by the Title IX Case Manager**

3. **Case Manager reaches out to student to offer resources and remedies**

   - **Student requests resources/remedies only**
   - **Student requests to meet with an Investigator**
   - **Student requests to provide statement only**

4. **If not Title IX, Case Manager refers case to appropriate office**

   - **If not a potential violation of the Code of Student Conduct, Case Manager will reach out to student to provide resources and then the case is closed**

5. **Case Manager reaches out to student to offer resources and remedies**

6. **If student requests resources/remedies only**

   - Investigator is assigned and reaches out to student
   - Investigator meets with student
   - Student requests to begin investigation. Investigator takes statement, collects evidence and obtains witness list
   - Investigator reaches out to witnesses
   - Investigator sends Notice to Respondent to take statement, collect evidence and obtain witness list
   - Investigator conducts thorough investigation
   - Report is compiled for Complainant and Respondent to review
   - Investigator initiates resolution

   - Forward case to Office of Student Conduct for formal hearing
   - Investigator facilitates Voluntary Resolution
