Full-time Diploma Program

TTUISD provides comprehensive curriculum that is ideal for students who want to be homeschooled or who need a flexible schedule. Our elementary, middle and high school programs are accredited by the Texas Education Agency, and all graduates receive a Texas high school diploma.

Part-time Curriculum

Students Supplementing School or Homeschool Curriculum

This option is an alternative for students who wish to take K-12 courses or Credit by Examinations (CBEs) to supplement their school or homeschool curriculum. Students can also use this option to make up failed credits, resolve scheduling conflicts, or graduate early or on time. Our elementary, middle, and high school courses, and CBEs are written to conform to the Texas Essential Knowledge and Skills (TEKS) and are accredited by the Texas Education Agency.
Partnering With Schools In Brazil
In 2013-14, the partnership between TTUISD and 54 schools in Brazil reached record growth. Now over 2,500 Brazilian students will pursue a Texas high school diploma without leaving Brazil. Since the start of the program in 2002, 860 students have graduated with a Texas high school diploma.

Potential Partner Schools in Other Countries
TTUISD is currently working to establish partnerships in Europe, Asia, and South America with potential partnerships developing in Portugal, China, Taiwan, Vietnam, Argentina, Brazil, and Paraguay.

Graduation Statistics
Average SAT/ACT Scores of Graduates
(Compared to state and national averages)

Other Services
Bulk Credit by Examinations (CBEs)
TTUISD can provide any number of CBEs needed, whether it is one examination or thousands. Texas schools, districts, regional service centers, and other state agencies can order exams and either pay by purchase order or receive an invoice from Texas Tech University.

Drop-out Prevention
Our full-time high school diploma program is a solution schools and districts can recommend to at-risk students. Students who transfer into TTUISD will not count as dropouts for the school or district.
