TTUISD Ranked as a Top Online School

TTUISD was ranked 18th out of the top 50 online K-12 programs by TheBestSchools.org, a resource for campus and online education. TTUISD was the highest-ranking program in Texas and the 4th best program to be affiliated with a public university.

Full-time Diploma Program

TTUISD provides comprehensive curriculum that is ideal for students who want to be homeschooled or who need a flexible schedule. Our elementary, middle, and high school programs are accredited by the Texas Education Agency, and all graduates receive a Texas high school diploma.

Part-time (Supplemental) Curriculum

Students Supplementing School or Homeschool Curriculum

This option is an alternative for students who wish to take K-12 courses or Credit by Examinations (CBEs) to supplement their school or homeschool curriculum. Students can also use this option to make up failed credits, resolve scheduling conflicts, or graduate early or on time. Our elementary, middle, and high school courses, and CBEs are written to conform to the Texas Essential Knowledge and Skills (TEKS) and are accredited by the Texas Education Agency.
Since 1993, TTUISD has served over 359,000 students from 63 countries.

Graduation Statistics

Average SAT/ACT Scores of Graduates
(Compared to state and national averages)

Student Achievements for the Year

- 424 graduates from 2 states and 6 foreign countries
- Highest GPA was 4.47
- 19 students with GPA of 4.0 or above
- Average GPA of 2.74
- Average SAT scores were 554 verbal, 552 math and 533 writing
- Average ACT composite score of 24.6
- SAT and ACT scores above the state and national average

Other Services

Bulk Credit by Examinations (CBEs)

TTUISD can provide any number of CBES needed, whether it is one examination or thousands. Texas schools, districts, regional service centers, and other state agencies can order exams and either pay by purchase order or receive an invoice from Texas Tech University.

Drop-out Prevention / Credit Recovery

Our full-time high school diploma program is a solution schools and districts can recommend to at-risk students. Students who transfer into TTUISD will not count as dropouts for the school or district.

Customized Educational Solutions

Don’t see the option you are looking for?
Let us help you customize a solution that meets your needs.

During 2014-15, TTUISD worked with many organizations, including public, private, and charter schools, tutorial services, and other educational entities.

International Partnerships - A Global Educational Community

Partnering With Schools Internationally

In 2014-15, the partnership between TTUISD and 54 schools in Brazil and China reached record growth. Now over 3,000 international students will pursue a Texas high school diploma without leaving their country. Since the start of the program in 2002, over 1,000 students have graduated with a Texas high school diploma.

Potential Partner Schools in Other Countries

TTUISD is currently working to establish partnerships in Europe, Asia, and South America with potential partnerships developing in Portugal, China, Taiwan, Vietnam, Argentina, Brazil, and Paraguay.
