Why Study Global Studies at Texas Tech?

A Bachelor of Arts in Global Studies encompasses interdisciplinary study of global, international, and regional politics, economics, culture, and society. The global studies degree will provide students with training and education appropriate to individuals seeking careers in diplomatic service, non-governmental organizations, international organizations, and foreign policy. Students will be prepared to undertake graduate studies in a variety of fields with international orientation.

The BA in Global Studies allows students flexibility to design a rigorous academic program that combines their diverse interests. The program comprises:
- 7 required courses from various departments across campus
- 7 electives chosen by the student which represent the student’s academic or geographic area of interest
- Upper level foreign language courses
- Study abroad options to enhance language and intercultural skills

Why Study in the College of Arts & Sciences?

A liberal arts education from our College may be the best option for your future. In the world today the average person changes careers at least 5 times. The College of Arts & Sciences gives you the opportunity to discover, create, advance, analyze, disseminate and preserve knowledge. You will develop the incredibly transferable skills of how to problem-solve, think critically and strategically and integrate what you learn in textbooks with the real-world issues that we all face today. With a degree from our college, you will know how to do much more than just one job when you graduate. You will have the resources and training to adapt your education to almost any career field that offers itself to you.

A Wealth of Opportunities Await

- Undergraduate Research
  The Center for Active Learning and Undergraduate Engagement (CALUE) is committed to supporting and increasing undergraduate participation in active learning at Texas Tech University. The Center serves as the centralized location for undergraduate students, faculty, staff, and community organizations interested in participating in the following active learning programs: Service Learning, Undergraduate Research, Professional Internship, and Study Abroad. For more info, visit their website: https://www.depts.ttu.edu/calue/

- Study Abroad
  From culinary classes in Florence to Range and Wildlife Management in Australia, from language study at the Texas Tech Center in Sevilla to Engineering in Czech Republic, Texas Tech has programs in more than 70 countries in which TTU students can participate. To see where our study abroad programs can take you, visit the website here: https://ttu-sa.terradotta.com/

- Graduate Education
  With support from the Texas Tech University Graduate School, students may pursue a new specialization within the TTU graduate Interdisciplinary Studies program. This new specialization allows students to pursue a course of study leading to the degree of Master of Arts in International Affairs.

- Professional Career
  The University Career Center at Texas Tech helps both current and alumni students with career assessments, resume building, and employer career fair information, and other information to make you more profitable on the job market. The Career Center is here to help you match your interests and college major to a career that is right for you. To see more, visit the website: http://www.depts.ttu.edu/careercenter/students.php

- Scholarship
  Arts & Sciences awarded $266,236 in scholarships to 139 students so far this year, with more to come. Full-time students may apply for scholarships in the College of Arts & Sciences. For more information, visit the scholarship website: www.scholarships.ttu.edu

- Student Organizations
  The College of Arts & Sciences has a number of student organizations that cater to any number of interest for students. These organizations help students get involved on and off campus as well as meet with faculty and other students outside the classroom. For more info, and a list of organizations, visit the website: http://www.depts.ttu.edu/artsandsciences/students/
Texas Common Course Number System (TCCNS)

The Texas Common Course Numbering System (TCCNS) aids students in the transfer of general academic courses between Texas public colleges and universities throughout the state. Course recommendations in this transfer guide are expressed in TCCNS designations.

Applying Transfer Hours to a Four-year Degree

- The Transfer Evaluation Office in the Office of the Registrar at Texas Tech determines which courses taken at another institution may be accepted for credit.

- A maximum of 66 semester credit hours from two-year institutions may be applied toward the baccalaureate degree at four-year institutions. Although, all credit hours presented on the sending institution's transcripts will be evaluated and equivalent college level courses posted to the student's academic record.

- The academic associate dean of the Texas Tech college in which a student enrolls has authority for determining which courses will be applied toward the specific degree program chosen.

- Students must earn a grade of C or better for all courses fulfilling requirements in majors, minors, or specialization's.

Steps to Apply:

- **Admission Requirements**
  Application from applytexas.org
  $60 application fee or fee waiver (student must provide information supporting fee waiver; for more specifics on what qualifies for waiver, visit the admissions site here: http://www.admissions.ttu.edu/index.php/application-fee/)

  Official college transcripts from ALL previous colleges attended*

  *Student must submit an official high school and ACT/SAT scores if you have completed less than 12 transferrable hours

  Transcripts may be sent by mail to:
  Undergraduate Admissions
  Box 45005
  Lubbock TX 79409

  Electronic transcripts may be sent directly to TTU Admissions via document exchange from the sending institution (contact institution for more details)

- **Transfer Admissions Counselors:**
  Zach Fisher—West Texas Transfer Admissions Counselor.
  Office Location: Undergraduate Admissions, West Hall
  Lubbock, TX
  Phone: 806.834.2104
  Email: zach.fisher@ttu.edu

  Maryellen Baeza—Manager of Transfer Recruitment
  Office Location: Undergraduate Admissions, West Hall
  Lubbock, TX
  Phone: 806.742.1480
  Email: Maryellen.baeza@ttu.edu

Assured Admissions:

If you present the required combination of transferrable hours and GPA (as described below), you will meet assured admissions. GPA is cumulative for all transferrable coursework from all schools attended. Courses taken for grade replacement are used for GPA calculation only if the same course is repeated at the same institution where it was originally taken.

<table>
<thead>
<tr>
<th>Transferable Hours</th>
<th>GPA Requirements</th>
</tr>
</thead>
<tbody>
<tr>
<td>12-23 hours</td>
<td>2.50 cumulative</td>
</tr>
<tr>
<td>24 hours or more</td>
<td>2.25 cumulative</td>
</tr>
</tbody>
</table>

Admission Review

If you do not meet assured admission requirements but have at least a 2.00 cumulative GPA, an admissions committee will evaluate your potential based on other criteria:

- **Academics**—Types of courses taken and pattern of progress, as well as coursework taken leading toward a major
- **Student-submitted essay**—Explanation of the decision to transfer to Texas Tech, reasons for past academic performance and plans to ensure future academic success
- **Extracurricular activities/employment information**—Leadership and work experience, special talents or awards, or any other information relevant to the admission decision

For more information, visit the admissions website: [http://www.admissions.ttu.edu/](http://www.admissions.ttu.edu/)
