Why Study Sociology at Texas Tech?

Sociology includes all aspects of people's social behavior in many different types of settings. Its scope ranges from everyday life interaction in face-to-face relationships to the complex patterns observed in cities, large-scale organizations, and international relations. Its focus includes efforts to understand the sources and implications of diversity, particularly those related to social class, race, and gender. Its goal is to advance our understanding of the interrelations of culture, community, organizational and socioeconomic structures, personal relations, and individual identities in our rapidly changing and increasingly globalized social world.

A liberal arts education from our College may be the best option for your future. In the world today the average person changes careers at least 5 times. The College of Arts & Sciences gives you the opportunity to discover, create, advance, analyze, disseminate and preserve knowledge. You will develop the incredibly transferable skills of how to problem-solve, think critically and strategically and integrate what you learn in textbooks with the real-world issues that we all face today. With a degree from our college, you will know how to do much more than just one job when you graduate. You will have the resources and training to adapt your education to almost any career field that offers itself to you.

A Wealth of Opportunities Await

- **Undergraduate Research**
  The Center for Active Learning and Undergraduate Engagement (CALUE) is committed to supporting and increasing undergraduate participation in active learning at Texas Tech University. The Center serves as the centralized location for undergraduate students, faculty, staff, and community organizations interested in participating in the following active learning programs: Service Learning, Undergraduate Research, Professional Internship, and Study Abroad. For more info, visit their website: [https://www.depts.ttu.edu/calue/](https://www.depts.ttu.edu/calue/)

- **Study Abroad**
  From culinary classes in Florence to Range and Wildlife Management in Australia, from language study at the Texas Tech Center in Sevilla to Engineering in Czech Republic, Texas Tech has programs in more than 70 countries in which TTU students can participate.

  To see where our study abroad programs can take you, visit the website here: [https://ttu-sa.terradotta.com/](https://ttu-sa.terradotta.com/)

- **Graduate Education**
  The graduate program provides broad advanced level training for students who intend to enter a Ph.D. program, prepare for undergraduate or community college teaching, or pursue a nonacademic professional career for which a Master of Arts degree in sociology is appropriate and useful. Decisions on the program of study, specific courses, and thesis topics are made through consultation with the graduate advisor and other faculty members based on the individual student's background, interests, and objectives.

- **Professional Career**
  The University Career Center helps both current and alumni Texas Tech students with career assessments, resume building, and employer career fair information. The Career Center is here to help you match your interests and college major to a career that is right for you. To see more, visit the website: [http://www.depts.ttu.edu/careercenter/students.php](http://www.depts.ttu.edu/careercenter/students.php)

- **Scholarship**
  Arts & Sciences awarded $266,236 in scholarships to 139 students so far this year, with more to come. Full-time students may apply for scholarships in the College of Arts & Sciences. For more information, visit the scholarship website: [www.scholarships.ttu.edu](http://www.scholarships.ttu.edu)

- **Student Organizations**
  The College of Arts & Sciences has a number of student organizations that cater to any number of interest for students. These organizations help students get involved on and off campus as well as meet with faculty and other students outside the classroom. Texas Common Course Number System (TCCNS)

The Texas Common Course Numbering System (TCCNS) aids students in the transfer of general academic courses between Texas public colleges and universities throughout the state. Course recommendations in this transfer guide are expressed in TCCNS designations.

Applying Transfer Hours to a Four-year Degree

- The Transfer Evaluation Office in the Office of the Registrar at Texas Tech determines which courses taken at another institution may be accepted for credit.

- A maximum of 66 semester credit hours from two-year institutions may be applied toward the baccalaureate degree at four-year institutions. Although, all credit hours presented on the sending institution's transcripts will be evaluated and equivalent college level courses posted to the student's academic record.

- The academic associate dean of the Texas Tech college in which a student enrolls has authority for determining which courses will be applied toward the specific degree program chosen.

- Students must earn a grade of C or better for all courses fulfilling requirements in majors, minors, or specialization's.

For more information on transfer course equivalencies, access the Texas Tech Transfer Equivalency Guidebooks: https://www.depts.ttu.edu/registrar/private/transfer/

Steps to Apply:

- **Admission Requirements**
  Application from applytexas.org

$60 application fee or fee waiver (student must provide information supporting fee waiver; for more specifics on what qualifies for waiver, visit the admissions site here: http://www.admissions.ttu.edu/index.php/application-fee/)

- Official college transcripts from ALL previous colleges attended*

  *Student must submit an official high school and ACT/SAT scores if you have completed less than 12 transferrable hours

- Transcripts may be sent by mail to:
  Undergraduate Admissions
  Box 45005
  Lubbock TX 79409

  Electronic transcripts may be sent directly to TTU Admissions via document exchange from the sending institution (contact institution for more details)

**Admission Review**

If you do not meet assured admission requirements but have at least a 2.00 cumulative GPA, an admissions committee will evaluate your potential based on other criteria:

- **Academics**—Types of courses taken and pattern of progress, as well as coursework taken leading toward a major

- **Student-submitted essay**—Explanation of the decision to transfer to Texas Tech, reasons for past academic performance and plans to ensure future academic success

- **Extracurricular activities/employment information**—Leadership and work experience, special talents or awards, or any other information relevant to the admission decision
