**Optimum Transfer Guide:** Apparel Design & Manufacturing

---

**Why Study Apparel Design & Manufacturing?**

The Apparel Design and Manufacturing (ADM) program at Texas Tech University provides the key to entering the glamorous world of fashion. The mission of the ADM program is to provide a quality education for students preparing for professions in areas related to apparel design and manufacturing. This program offers a comprehensive curriculum that prepares students for entry-level positions in the apparel industry or for continued study in graduate schools.

Students learn to create and produce their own designs, research, and apply the latest trends, manage product development, apparel design, or design and construct costumes or stage. A variety of opportunities and jobs are possible with a degree in Apparel Design and Manufacturing.

**A Wealth of Opportunities Await**

- **Undergraduate Research**
  The College of Human Sciences has its own Research office dedicated to encouraging faculty and student research, increase external funds to the College, mentoring research activities between students and faculty, and preparing students for future careers. For more information, visit the site: [http://www.depts.ttu.edu/hs/research/](http://www.depts.ttu.edu/hs/research/)

- **Study Abroad**
  From culinary classes in Florence to Range and Wildlife Management in Australia, from language study at the Texas Tech Center in Sevilla to Engineering in the Czech Republic, Texas Tech has programs in more than 70 countries in which TTU students can participate.

  For more information about upcoming study abroad information, visit the website: [https://ttu-sa.terradotta.com/](https://ttu-sa.terradotta.com/)

- **Graduate Education**
  The Department of Design offers two graduate degrees:
  - Master of Science in Environmental Design
  - The Doctor of Philosophy in Interior and Environmental Design

  An optimal internship is offered for students who have not previously had practicing professional experience in interior design or allied disciplines.

- **Professional Career**
  Our University Career Center offers help to alumni and current students hoping to improve their job outlook through career assessments, resume critiquing, and more! Students looking to find more information can visit the website for more information here: [http://www.depts.ttu.edu/careercenter/students.php](http://www.depts.ttu.edu/careercenter/students.php)

- **Scholarship**
  Named a top value by Kiplinger in recent years, TTU offers a quality education at a fair price. Tuition and housing increases are well below others in public higher education. Texas Tech rewards exceptional students with merit-based scholarships and provides need-based financial assistance to qualified families. For more information, please visit the website: [http://www.depts.ttu.edu/scholarships/](http://www.depts.ttu.edu/scholarships/)

- **Student Organizations**
  As a part of the Texas Tech community, students have the opportunity to join more than 450 registered student organizations. These organizations allow students to get to know their fellow students and faculty outside the classroom, and become involved with the campus and community. For more information and organizations that fit your interest, visit the website: [https://www.ttu.edu/campus-life/student-life/student-organizations.php](https://www.ttu.edu/campus-life/student-life/student-organizations.php)

Texas Common Course Number System (TCCNS)
The Texas Common Course Numbering System (TCCNS) aids students in the transfer of general academic courses between Texas public colleges and universities throughout the state. Course recommendations in this transfer guide are expressed in TCCNS designations.

Applying Transfer Hours to a Four-year Degree

- The Transfer Evaluation Office in the Office of the Registrar at Texas Tech determines which courses taken at another institution may be accepted for credit.

- A maximum of 66 semester credit hours from two-year institutions may be applied toward the baccalaureate degree at four-year institutions. Although, all credit hours presented on the sending institution's transcripts will be evaluated and equivalent college level courses posted to the student's academic record.

- The academic associate dean of the Texas Tech college in which a student enrolls has authority for determining which courses will be applied toward the specific degree program chosen.

- Students must earn a grade of C or better for all courses fulfilling requirements in majors, minors, or specialization's.

For more information on transfer course equivalencies, access the Texas Tech Transfer Equivalency Guidebooks: [https://www.depts.ttu.edu/registrar/private/transfer/](https://www.depts.ttu.edu/registrar/private/transfer/)

Steps to Apply:

- **Admission Requirements**

Admission Review

If you do not meet assured admission requirements but have at least a 2.00 cumulative GPA, an admissions committee will evaluate your potential based on other criteria:

- **Academics**—Types of courses taken and pattern of progress, as well as coursework taken leading toward a major

- **Student-submitted essay**—Explanation of the decision to transfer to Texas Tech, reasons for past academic performance and plans to ensure future academic success

- **Extracurricular activities/employment information**—Leadership and work experience, special talents or awards, or any other information relevant to the admission decision

For more information, visit the admissions website: [http://www.admissions.ttu.edu/](http://www.admissions.ttu.edu/).
