Why Study Personal Financial Planning?

Personal Financial Planning students utilize new technologies in studying business practices such as family economic analysis and investments, retirement, insurance, and estate planning. If you choose to specialize in Personal Financial Planning, you will take courses in family finance, accounting finance, economics, mathematics, sociology, family relations, and management.

Bachelor of Science in Personal Financial Planning. Students majoring in personal financial planning are prepared for careers in financial planning in private practice, financial institutions, and governmental and social agencies. The multidisciplinary program includes courses in business, accounting, economics, family studies, and communications in addition to personal financial planning. Students will develop a background for graduate study and for certifications as financial planners and counselors.

A Wealth of Opportunities Await

- Undergraduate Research
  The College of Human Sciences has its own Research office dedicated to encouraging faculty and student research, increase external funds to the College, mentoring research activities between students and faculty, and preparing students for future careers. For more information, visit the site: http://www.depts.ttu.edu/hs/research/

- Study Abroad
  From culinary classes in Florence to Range and Wildlife Management in Australia, from language study at the Texas Tech Center in Sevilla to Engineering in Czech Republic, Texas Tech has programs in more than 70 countries in which TTU students can participate.

  For more information about upcoming study abroad information, visit the website: https://ttu-sa.terradotta.com/

- Graduate Education
  The Personal Financial Planning Department at Texas Tech University offers six graduate degrees and one graduate certificate that focus on financial planning and qualify graduates to sit for the CFP® Certification Examination. An undergraduate degree in Financial Planning, Finance or Accounting is not required for the MS/PFP or any of the joint degree programs.

  Students also may choose a joint Law degree and Master of Science degree (JD/MS) in Personal Financial Planning, which opens the door to specialization in structured settlements, estate planning, and compliance.

  The joint MBA/MS in Personal Financial Planning prepares students who seek management opportunities in a financial services/planning setting.

- Professional Career
  Our University Career Center offers help to alumni and current students hoping to improve their job outlook through career assessments, resume critiquing, and more! Students looking to find more information can visit the website for more information here: http://www.depts.ttu.edu/careercenter/students.php

- Scholarship
  Named a top value by Kiplinger in recent years, TTU offers a quality education at a fair price. Tuition and housing increases are well below others in public higher education. Texas Tech rewards exceptional students with merit-based scholarships and provides need-based financial assistance to qualified families. For more information, please visit the website: http://www.depts.ttu.edu/scholarships/

- Student Organizations
  As a part of the Texas Tech community, students have the opportunity to join more than 450 registered student organizations. These organizations allow students to get to know their fellow students and faculty outside the classroom, and become involved with the campus and community. For more information and organizations that fit your interest, visit the website: https://www.ttu.edu/campus-life/student-life/student-organizations.php

Texas Common Course Number System (TCCNS)

The Texas Common Course Numbering System (TCCNS) aids students in the transfer of general academic courses between Texas public colleges and universities throughout the state. Course recommendations in this transfer guide are expressed in TCCNS designations.

Applying Transfer Hours to a Four-year Degree

- The Transfer Evaluation Office in the Office of the Registrar at Texas Tech determines which courses taken at another institution may be accepted for credit.

- A maximum of 66 semester credit hours from two-year institutions may be applied toward the baccalaureate degree at four-year institutions. Although, all credit hours presented on the sending institution's transcripts will be evaluated and equivalent college level courses posted to the student's academic record.

- The academic associate dean of the Texas Tech college in which a student enrolls has authority for determining which courses will be applied toward the specific degree program chosen.

- Students must earn a grade of C or better for all courses fulfilling requirements in majors, minors, or specialization's.

For more information on transfer course equivalencies, access the Texas Tech Transfer Equivalency Guidebooks:

Admission Review

If you do not meet assured admission requirements but have at least a 2.00 cumulative GPA, an admissions committee will evaluate your potential based on other criteria:

- **Academics**—Types of courses taken and pattern of progress, as well as coursework taken leading toward a major
- **Student-submitted essay**—Explanation of the decision to transfer to Texas Tech, reasons for past academic performance and plans to ensure future academic success
- **Extracurricular activities/employment information**—Leadership and work experience, special talents or awards, or any other information relevant to the admission decision
