MEMORANDUM OF UNDERSTANDING
Roscoe Collegiate Independent School District and Texas Tech University

This agreement entered into this 21st day of November in the year of 2014 between Roscoe Collegiate Independent School District (RCISD), and Texas Tech University (TTU). The purpose of this agreement is to formalize the conditions and responsibilities of Texas Tech University in the development and delivery of RCISD faculty professional development and enrichment activities in the fields of agri-science, science, technology, engineering, and mathematics. Duration: This Memorandum of Understanding will be in effect for the following period of time: September 1, 2014 through August 31, 2016.

Understandings:
1. Partner with RCISD to host selected RCISD juniors and seniors for a three-day experience on the TTU Lubbock, TX campus. RCISD agrees to pay travel and lodging expenses.
2. Provide consultation in curriculum development for potential dual-credit courses in science, technology, engineering and mathematics to RCISD faculty.
3. Identify potential dual credit courses in science, agri-science, technology, engineering and mathematics within the Roscoe Collegiate programs of study.
4. Assist with the formation of a partnership with Western Texas College with the designing of a dual credit engineering program for RCISD students which may offer transferable credits to TTU, should the student desire.
5. Partner with RCISD in the development of service learning projects on, near, or in the vicinity of the RCISD campus.
6. Partner with RCISD to arrange selected TTU senior engineering students to visit RCISD and offer support to RCISD pre-engineering students.
7. TTU will provide RCISD with recruiting materials as needed for RCISD classrooms and hallway displays.
8. Partner with RCISD to contact TTU for outreach and engagement opportunities.
9. TTU recruiters will provide admissions and recruiting presentations to sophomore, junior, and senior RISD students.
10. Partner with RCISD to review and assess partnership outcomes each year.
