For the third consecutive year, districts may or may not choose to hold an area track and field meet. An area meet will qualify the top 4 in each event to the regional meet. Therefore, the two districts regional fees may be different. The following guidelines shall regulate the collection of fees for Region 1 - 4A & 5A UIL Regional Spring Meets.

Districts NOT holding area track & field meets shall pay $5,570 to the regional tournament.

Districts holding an area track & field meet shall pay one of two fees:

1. **“Host Districts”** ... ($7,130)
   Districts that choose to hold an area track & field meet may not qualify for the same number of events at the regional meet competition. Therefore, the two districts do not owe the same fees. The DEC Chairperson designated the “Host District” shall be responsible for their area’s total financial obligation for regional track & field, and for their districts’ fees for academics, tennis and golf.
   After their area track & field results are determined, this Chairperson shall be responsible for collecting fees from the corresponding district (#2 below) for the number of events they qualify for at the regional track and field meet.
   *(See the “Host Districts” regional fee schedule below)*

2. **“Non-Host Districts”** ... ($4,010)
   Again, districts may not qualify for the same number of events at the regional meet competition. Therefore, it is reasonable that the two districts should not pay the same fees. The DEC Chairperson for a non-host district shall remit their payment to Texas Tech University for only their participation in the regional spring meets for academics, tennis and golf. They will not pay a fee to the regional host for regional track & field events.
   After their area track & field results have been determined, the non-host districts shall remit to their host district (#1 above) the costs of the number of events they qualify for at the regional track and field meet.
   *(See the “Non-Host Districts” regional fee schedule below)*

- The two districts shall determine who acts as “Host and Non-Host”. The designated “Host District” is not required to actually host the area track & field meet.
- All regional fees should be made out and sent to Texas Tech UIL, Box 45035, Lubbock, 79409.
- District fees for participation in golf, tennis and academics are the same for all districts.
- Please be aware of the additional fees for schools qualifying one-act plays.
- Confused... please call Billie Gonzalez or Sam Gentry at (806) 742-2350.
- Please visit the regional web site at [www.depts.ttu.edu/UIL](http://www.depts.ttu.edu/UIL) for spring meet event details.
