Texas Tech University is privileged to host the Region 1 Class 4A & 5A Spring Meet Competitions of the University Interscholastic League (UIL). Texas Tech University began its partnership with the UIL as early as 1938 and continues to provide member schools with the highest quality of regional competitions.

A successful competition begins with the prompt filing, fee payment and reporting of district results and qualifiers to regional. It is the responsibility of each District Director to submit their payment prior to the Spring Meet.

Specific regional information is available at: www.depts.ttu.edu/uil

4A & 5A Entries:

Filing Deadlines:
A. Academic entries, including Academic Team points for wild card consideration, must be reported to the Regional Director by 5 p.m. Monday following the individual District Meet. District results are submitted and received using the UIL Spring Meet online system. The district director must personally ensure entry reports are certified online.

B. Athletic entries are due to regional officials immediately following district meets; but no later than:
   - Golf  Noon, Monday, following District Competition
   - Track & Field  Noon, Wednesday, following District Competition
   - Tennis  Noon, Monday, following District Competition

C. District directors may choose to personally deliver, fax, or email entries to meet deadlines. If district contests are conducted at sites other than the district director’s home school, the director should ensure entry reports reach the regional office.

Alternate Qualifiers/Substitutions:

ACADEMIC SUBSTITUTIONS: The local school official must notify the District Meet Director of all substitutions. The spring meet district director shall contact the regional director as well as the next lower place finisher, who shall become qualified to represent the district. Substitutions are reported to the Regional site by faxing the official “UIL Academic Contest Substitute Eligibility Form” found in the UIL Spring Meet Manual and/or on the State UIL website to 806.742.1660. The form may be hand delivered to meet officials prior to competition.
4A & 5A Spring Meet Fee Schedules:

Special Note: Paired districts (1 & 2) (3 & 4) (5 & 6) (7 & 8) may or may not choose to hold an area track and field meet. The following guidelines shall regulate the collection of regional fees for UIL Region 1 - 4A & 5A Spring Meets.

An area track meet will qualify the top 4 in each event to the regional meet. Therefore, regional fees may be different. Regardless, each district shall submit **ONE CHECK to Texas Tech UIL that shall include all athletic and academic regional participation; PLEASE DO NOT separate payments for events** (exception; do not include a $625 One-Act-Play fee)!

1. **Districts NOT holding an area track & field meet... shall pay $5,930**
   These two districts will qualify the same number of students to regional. Therefore, their fee schedule will be the same. See regional fee schedule on page 3.

   *** The two districts holding an area track & field meet shall pay one of two fees: ***

2. **District acting as the “Host District”... shall pay $7,490**
   Two districts that choose to hold an area track & field meet may not qualify for the same number of events at the regional meet competition. Therefore, the two districts do not owe the same fees. The DEC Chairperson designated the “Host District” shall be responsible for their area’s total financial obligation for regional track & field, and for their districts’ fees for academics, tennis and golf. After their area track & field results are determined, this Chairperson shall be responsible for collecting fees from the corresponding district (#2 below) for the **number of events** they qualify for at the regional track and field meet. See “Host District” regional fee schedule on page 4.

3. **District acting as the “Non-Host District”... shall pay $4,370**
   Again, districts may not qualify for the same number of events at the regional meet competition. Therefore, it is reasonable that the two districts should not pay the same fees. The DEC Chairperson for a non-host district shall remit their payment to Texas Tech University for only their participation in the regional spring meets for academics, tennis and golf. They will not pay a fee to the regional host for regional track & field events. After their area track & field results have been determined, the non-host districts shall remit to their host district (#1 above) the costs of the number of events they qualify for at the regional track and field meet. See “Non-Host District” regional fee schedule on page 5 below.

✓ The two districts shall determine who acts as “Host and Non-Host”. The designated “Host District” is not required to actually host the area track & field meet.
✓ All regional fees should be made out and sent to **Texas Tech UIL, Box 45035, Lubbock, 79409**.
✓ District fees for participation in golf, tennis and academics are the same for all districts.
✓ Please be aware of the additional $625 fee for schools qualifying Regional One-Act Plays.
