The mission of **Alpha Iota Sigma** is to recognize the academic scholarship and achievements of interdisciplinary students at the undergraduate level. As a national honor society, Alpha Iota Sigma:

- Promotes the benefits of interdisciplinary work;
- Provides a forum to encourage interdisciplinary collaboration among students, faculty, and local community members;
- Investigates and encourages methods of interdisciplinary learning;
- Enhances understanding and application of interdisciplinary knowledge among the general public;
- Creates a sense of community among interdisciplinary students and graduates of interdisciplinary programs.

**AIS Applicant Requirements:**

In order to receive an honor cord, members must qualify with Alpha Iota Sigma Bylaws:

a) Be currently enrolled in an Alpha Iota Sigma member college or university.
b) Major in an interdisciplinary program.
c) Uphold a GPA of 3.3.
d) Present to the National Council two letters of recommendation with at least one from a faculty member teaching in the interdisciplinary studies curriculum.

**Honor Society Fees**

**Member Induction Fee** .......... $30

**Annual Fee** .......................... $30 (payable annually – due October 31)
The Tech Society for Interdisciplinary Study will serve as the local chapter for Alpha Iota Sigma National Honor Society. Our purpose is:

- To recruit outstanding students to Texas Tech University and to University Studies from the local area and around the state of Texas.
- To serve as student representatives for University Studies at functions sponsored by Texas Tech University.

- To serve as good will ambassadors for University Studies on the Texas Tech University campus.
- To promote and encourage ideas and philosophies of Interdisciplinary Study throughout the Texas Tech University community.
