

NON-CONFIDENTIAL
TEXAS TECH UNIVERSITY SYSTEM
COMMERCIAL DEVELOPMENT GRANT (CDG)
GRANT PROPOSAL – ROUND 5

Was this CDG proposal submitted before? <input type="checkbox"/> Yes <input type="checkbox"/> No

Date: _____ **\$ Requested:** _____

TTUS Institution(s): _____

College/School/Department: _____

Principal Investigator(s): _____

Application Title: _____

Invention disclosure number or date filed with OTC: _____

Industry Cluster(s) (Check up to two):

- | | |
|---|---|
| <input type="checkbox"/> Agricultural | <input type="checkbox"/> Energy |
| <input type="checkbox"/> Biotech | <input type="checkbox"/> Medical Device |
| <input type="checkbox"/> Chemical | <input type="checkbox"/> Nanotechnology |
| <input type="checkbox"/> Drug Therapeutic | <input type="checkbox"/> Software / Computer |
| <input type="checkbox"/> Electrical | <input type="checkbox"/> Other (describe) _____ |

Brief Technology Synopsis:

Market Application(s):

NON-CONFIDENTIAL
TEXAS TECH UNIVERSITY SYSTEM
COMMERCIAL DEVELOPMENT GRANT (CDG)
GRANT PROPOSAL – ROUND 5

Potential Path for Commercialization:

- Startup: Researcher led company Don't know
 Startup: Independent company Other (describe) _____
 License to Existing company

Please list any companies that have expressed interest in development of this technology:

1. _____
 2. _____

Please describe grants or funding that has supported development of this technology:

Sources of funding:	Amount (\$000's)
1. _____	\$ _____
2. _____	\$ _____
3. _____	\$ _____

Maximum grant allowed is \$50,000. All expenditures must be completed or funds encumbered by August 1, 2012. Please summarize how grant funds will be used:

	Est. Costs
1. _____	\$ _____
2. _____	\$ _____
3. _____	\$ _____
4. _____	\$ _____
Total Estimated Costs:	\$ _____

NON-CONFIDENTIAL
TEXAS TECH UNIVERSITY SYSTEM
COMMERCIAL DEVELOPMENT GRANT (CDG)
GRANT PROPOSAL – ROUND 5

Please provide commercialization milestones for this technology:

What major steps are needed to bring this technology to market?
(i.e. prototype design, fabrication, testing, market research, IP protection, etc).

Commercial Milestones:	End Date
1.	
2.	
3.	
4.	

Additional Information

*Additional information, **not to exceed five (5) pages**, may be attached to this proposal for consideration by the panel in order to provide more detailed information explaining the technology and its commercial potential. The OTC or the CDG Review Panel may request additional information.*

The review process consists of two phases. The first phase will review all proposals received based on the information submitted with the proposal. The review panel will select the top proposals for additional review that may include applicant interviews to be conducted either in person or by telephone.

*Please submit proposals in PDF file format **electronically to the OTC office at otc@ttu.edu**. Upon receipt, your submission will be confirmed by email. For a proposal to be considered, an Invention Disclosure must be on file with the OTC.*

The Deadline for receipt of Round Four proposals is Friday, 01/04/2013 at 5:00 pm.
