Requirements for the Forensic Science Master Program

- First, apply to Graduate School: [www.depts.ttu.edu/gradschool/admissions/how.php](http://www.depts.ttu.edu/gradschool/admissions/how.php)
- Once accepted by Dr. Fedler, Associate Dean of the Graduate School, into the Interdisciplinary Studies program of the Graduate School,
- You will need to submit the following portfolio to the Institute for Forensic Science:
  - **Letter of Interest:** A 300-500 word statement of goals (personal, career, and professional) for pursuing your graduate degree as either a Forensic Scientist or Forensic Examiner. Your explanation should include why the degree is sought, how the degree will help achieve goals outlined, area of interest in forensic science, law enforcement and/or criminal justice and experiences and background if any.
  - **Resume:** Include education, professional experience, professional organizations, honors, etc. Please include a current email address.
  - **Three Letters of Recommendation:** these can be from professors, employers, or contacts in the criminal justice field. Letters may be addressed to: Institute for Forensic Science
    Dr. Kathy Sperry, Sr. Director
    4434 South Loop 289
    Lubbock, TX 79414
  - (Optional) Any additional supporting material; such as, any undergraduate research project you feel would be relevant.

- Mail the complete portfolio to:
  Institute for Forensic Science
  4434 South Loop 289
  Lubbock, TX 79414

- Final step for acceptance into the Forensic Science Master Program is an interview with Dr. Sperry, Senior Director or Dr. Childers, Director. Once we have received your complete portfolio, including all three letters of recommendation & we have verified your acceptance into the Graduate School, we will contact you by email. At that point, call us to set-up your interview.

From here, it’s possible
