Presidential Scholarship Information

All Presidential scholarship award decisions will be made based on the official class rank/percent recorded in the student information system by the Office of Admissions.

Non-ranking high schools
Non-ranking high school students must first meet the minimum test score for Presidential scholarship consideration. The TTU Scholarship Office will award a Presidential scholarship to those students with a ranking assigned by the TTU Office of Admissions in the top 25%. The TTU Office of Admissions assigns rank based on an internal ranking system for those students who attend a high school that does not provide an official rank. For more information about how your ranking is assigned, please contact the TTU Office of Admissions. Final Presidential scholarship offers are made by April 15.

Home schooled students
Home schooled students must first meet the minimum test score to be considered in a holistic review. The TTU Scholarship Office will award those students with a ranking assigned by the TTU Office of Admissions in the top 25%. The TTU Office of Admissions assigns rank based on an internal ranking system for Home Schooled students. For more information about how your ranking is assigned, please contact the TTU Office of Admissions. The scholarship Office will do a holistic review of the student’s academic credentials and admission application including essays related to the application process and/or requested by the Presidential Scholarship Committee, to determine if the student is qualified to receive a Presidential Scholarship. Final Presidential scholarship offers are made by April 15.

Students earning an IB diploma
IB diploma candidates must first meet the minimum test score for Presidential scholarship consideration. The TTU Scholarship Office will award a Presidential scholarship to those students with a class ranking assigned by the TTU Office of Admissions in the top 25%. The TTU Office of Admissions will assign a rank based upon what is provided on the official high school transcript. If a student attends a high school that does not rank, the TTU Office of Admissions assigns rank based on an internal ranking system. For more information about how your ranking is assigned, please contact the TTU office of Admissions. For those students who are not ranked in the top 25% by the Admissions process, the student must submit a letter no later than April 15 to the TTU Scholarship Office from their principal stating that they are on track to receive the IB Diploma for Presidential consideration. Students must submit their IB diploma to the TTU Scholarship Office no later than July 30 to finalize their Presidential scholarship offer.
