STRATEGIC AREAS OF GROWTH

✓ TEACHING

- We have 6 colleges – 45 in person undergraduates programs and 4 virtual undergraduates programs.
- The college of agronomic sciences has 2 undergraduates programs : Agronomic Engineering and B achelor's Degree in Veterinary Medicine.
- Areas of study: agricultural and livestock production.

✓ RESEARCH

With a focus on democratizing scientific knowledge to the general population, as well as disseminating different topics that intervene in the contemporary and historical social dynamics of our region, contributions of opinions are made for the specialties of each of the researches in social environmental, legal, economic, health, agronomic, educational and many others.

✓ SOCIAL BONDING

We are a benchmark and a social actor that promotes socially responsible management and contributes to sustainable human development. We seek cooperation between different actors through strategic alliances, with a focus on action.

INTERNATIONAL ASPIRATIONS

- ✓ Cultural Exchange and Diplomacy
- ✓ Faculty and Staff Development
- ✓ Multicultural Curriculum Development
- ✓ Global Partnerships and Collaborations
- ✓ International Student exchange programs.
