

Oklahoma State University

Division of Academic Affairs

Chris Francisco

Vice Provost

Division of Academic Affairs

Oklahoma State University

October 19, 2023

Divisions reporting to the Provost

- Division of Academic Affairs
- Division of Enrollment Management (including Admissions, Scholarships and Financial Aid)
- Division of Institutional Diversity
- Division of Research
- Division of Student Affairs

The Provost is a Senior Vice President and leads Academic Affairs. Each of the other divisions is led by a Vice President.

Academic Affairs structure

- Academic colleges, School of Global Studies, Library
- Academic support
 - Institute for Teaching and Learning Effectiveness
 - Registrar
 - Scholar Development and Undergraduate Research
 - Accreditation, Assessment, and Testing
 - Certain academic advising services
- Other units: Center for Sovereign Nations, Museum of Art, Doel Reed Center

Personnel within Academic Affairs

- Each college is led by a dean
- Within the Provost's office, reporting to the Provost:
 - Vice Provost, Division of Academic Affairs (faculty issues, curriculum, academic policies, State Regents liaison)
 - Associate Provost of Student Success (student retention and progression to graduation, advising, transfer issues) **(new)**
 - Assistant Vice President of Provost's Priorities and Strategic Initiatives (helps shepherd implementation of strategy) **(new)**
 - Chief of Staff (staff member who organizes everything in Academic Affairs and provides outstanding institutional memory) **(new title)**

Provost's strategic initiatives

- Academic advising
- Enrollment among underserved populations
- Improving enrollment yield
- Retention and graduation rates
- OSU-Tulsa
- Improving efficiencies

For each initiative, there is a working group from across campus/the OSU system.

Academic efforts

- General Education (undergraduate breadth requirements)
- Enhancing Human and Animal Health
- Leading in Aerospace Innovation and Application
- Innovating to Nourish the World
- Powering a Growing World Population Sustainably and Responsibly
- K-12 STEM Education
- Enriching and Integrating the Arts
- Preparing the Future Workforce
- Leadership
- Extension

Each has a Faculty Fellow leading the effort.

Thanks for listening!
