	AAEC 4315 or MGT 4380	_____	Free Elective <sup>f</sup>	_____

### Fall Through

**DEPARTMENTAL CORE POLICY:** The Departmental Core (CORE) includes AAEC 3315 (Agricultural Price Theory), AAEC 2301 (Agricultural Statistics), and AGSC 2301 (Agribusiness Data Anlys. and Mdlg. with Spreadsheets). All students expecting to graduate on schedule are strongly advised to complete the CORE before they reach 90 hours of completed coursework. Students failing to successfully complete the CORE by 90 hours may delay their graduation date.

**MINIMUM GRADES:** All courses in Business Administration, MATH, ECO, ENGL, and AGSC 2301, AAEC 2305, and AAEC 2301 must be completed with a grade of C or better. A minimum adjusted cumulative TTU GPA of 2.75 must be maintained in the program.

**MINIMUM 3000/4000 LEVEL HOURS:** Students must complete a minimum of 40 JR/SR hours to meet graduation requirements.

**MINIMUM HOURS:** The minimum number of hours required for graduation is 120.

**Continued on back**

- <sup>a</sup> **LAB SCIENCE:** Selected from PSS 1411 and 2401, ANSC 1401, NRM 1401, ATMO 1300/1100, BIOL 1401 and 1402, CHEM 1305 and 1306, GEOG 1401, GEOL 1303/1101, PHYS 1403 and 1404, or any other 4-hour lab science course (see Life and Physical Sciences Core Curriculum Requirement in Undergraduate Catalog).
- <sup>b</sup> **AAEC ELECTIVE:** Selected from AAEC 3301, 3302, 3303, or 3305.
- <sup>c</sup> **LANGUAGE, PHILOSOPHY, & CULTURE / MULTICULTURAL / CREATIVE ARTS** There are three University Core Curriculum requirements covering Language, Philosophy, and Culture (LPC), Multicultural (MC), and Creative Arts (CA). The three requirements may be satisfied individually by satisfactory completion of three separate courses (see Core Curriculum requirements in Undergraduate Catalog). However, the LPC requirement is satisfied by Sophomore English. Further, it is possible to satisfy both of the two remaining requirements by satisfactory completion of a single course. This is accomplished by selecting a course that meets both MC and CA. A list of courses that meet MC and CA is available from the Davis CASNR Dean's Office.
- <sup>d</sup> **SOPHOMORE ENGLISH:** Choose one course from ENGL 2307, 2310, 2351, 2381, 2382, 2383, 2388, or 2391.
- <sup>e</sup> **AGBS CURRICULUM GROUP:** Select 4 three-hour courses (not used to fulfill another requirement) from any 4000-level AAEC courses (excluding AAEC 4320 and AAEC 4330) or any 3000 or 4000-level courses from ACCT, BECO, FIN, ISQS, MGT, MKT. One of the 4 courses must be chosen from AAEC 4305, AAEC 4306, or AAEC 4313.
- <sup>f</sup> **FREE ELECTIVE:** Three hours of free elective are chosen from any coursework not used elsewhere in the degree program.
- <sup>g</sup> **BA CURRICULUM GROUP:** Choose two, 3-hour courses (not used to fulfill another requirement) from any 3000- or 4000-level courses in ACCT, BECO, FIN, ISQS, MGT, MKT. Be aware that some 3000 and 4000-level courses will have prerequisites. Please refer to course descriptions.
- <sup>h</sup> **MACROECONOMICS SEQUENCE:** Successful completion of ECO 2302, with a grade of C (or better), is prerequisite for ECO 3311.

**PREREQUISITES FOR AAEC COURSES**

Course	Semester(s) Offered	Prerequisite(s)
<b>AGSC 2301</b> Agribusiness Data Anlys. and Mdlg. with Spreadsheets	F, S	none
<b>AAEC 2305</b> Fundamentals of Agricultural and Applied Economics	F, S, SS	none
<b>AAEC 2301</b> Agricultural Statistics	F, S, SS	(1) College algebra or higher math
<b>AAEC 3100</b> Seminar	F, S	(1) Junior standing, (2) AAEC 2305
<b>AAEC 3301</b> Agribusiness Marketing	F, S, SS	(1) AAEC 2305, (2) ENGL 1302
<b>AAEC 3302</b> Agribusiness Finance	F, S	(1) AAEC 2305, (2) MATH 1320 or 1330
<b>AAEC 3303</b> Cooperatives	S	(1) AAEC 2305
<b>AAEC 3305</b> Introduction to Sales	F, S	(1) Sophomore standing
<b>AAEC 3306</b> Economics of the American West	S	(1) Junior standing
<b>AAEC 3315</b> Agricultural Price Theory	F, S, SS	(1) AAEC 2305, (2) MATH 1331
<b>AAEC 3316</b> Applied Risk Analysis and Management	F, S	(1) AAEC 3315, (2) AGSC 2301, (3) AAEC 2301
<b>AAEC 4000</b> Internship in Agricultural and Applied Economics	F, S, SS	(1) Sophomore standing & instructor approval
<b>AAEC 4101</b> Current Problems in Ag. and Applied Economics	F, S, SS	(1) Senior standing & instructor approval
<b>AAEC 4301</b> Special Problems in Applied Economic Analysis	F, S, SS	(1) Instructor approval
<b>AAEC 4302</b> Statistical Methods in Agricultural Research	S, SS	(1) AAEC 2301, (2) MATH 1331
<b>AAEC 4303</b> Property Appraisal	F	(1) AAEC 2305
<b>AAEC 4304</b> Agribusiness Logistics	F	(1) AAEC 2305
<b>AAEC 4305</b> Agricultural and Public Policy	F	(1) AAEC 3315
<b>AAEC 4306</b> International Agricultural Trade	S	(1) AAEC 3315
<b>AAEC 4309</b> Sustaining Global Ecology, Nat Res and Economy	F	(1) MATH 1330; Junior standing
<b>AAEC 4312</b> Applied Optimization Methods	F	(1) AAEC 3315
<b>AAEC 4313</b> Natural Resource Economics	S	(1) AAEC 3315
<b>AAEC 4315</b> Strategic Agribusiness Management	F	(1) AAEC 2305
<b>AAEC 4316</b> Agricultural Financial Analysis	S	(1) AAEC 3302 or FIN 3320
<b>AAEC 4317</b> Commodity Futures Trading and Analysis	F, S, SS	(1) AAEC 2305
<b>AAEC 4319</b> Agribusiness Enterprise Management	F, S	(1) AAEC 2305
<b>AAEC 4320</b> Agribusiness Law	F	(1) AAEC 2305
<b>AAEC 4325</b> The US-Mexico Border Economy	S	(1) ECO 2302
<b>AAEC 4330</b> Natural Resource Law	S	(1) AAEC 2305
<b>AAEC 4385</b> Economics of Food Security, Conflict, and Terrorism	S	(1) AAEC 2305

**NOTES:**
