DEPARTMENTAL CORE POLICY: The Departmental Core (CORE) includes AAEC 3315 (Agricultural Price Theory), AAEC 2301 (Agricultural Statistics), and AGSC 2301 (Agribusiness Data Anlys. and Mdlg. with Spreadsheets). All students expecting to graduate on schedule are strongly advised to complete the CORE before they reach 90 hours of completed coursework. Students failing to successfully complete the CORE by 90 hours may delay their graduation date.

MINIMUM GRADES: All courses in Business Administration, MATH, ECO, ENGL, and AGSC 2301, AAEC 2305, and AAEC 2301 must be completed with a grade of C or better. A minimum adjusted cumulative TTU GPA of 2.75 must be maintained in the program.

MINIMUM 3000/4000 HOURS: Students must complete a minimum of 40 JR/SR hours to meet graduation requirements.

MINIMUM HOURS: The minimum number of hours required for graduation is 144.

- a LAB SCIENCE:** Selected from PSS 1411 and 2401, ANSC 1401, NRM 1401, ATMO 1300/1100, BIOL 1401 and 1402, CHEM 1305 and 1306, GEOG 1401, GEOL 1303/1101, PHYS 1403 and 1404, or any other 4-hour lab science course (see Life and Physical Sciences Core Curriculum Requirement in Undergraduate Catalog).
- b AGRICULTURAL ELECTIVE:** Selected from PSS 1321, NRM 1300, ANSC 1401, and NRM 1401. If used to satisfy Agricultural Elective, ANSC 1401 and NRM 1401 can not be used to satisfy the Life and Physical Sciences Core Requirement (Lab Science).
- c LANGUAGE, PHILOSOPHY, & CULTURE / MULTICULTURAL / CREATIVE ARTS:** There are three University Core Curriculum requirements covering Language, Philosophy, and Culture (LPC), Multicultural (MC), and Creative Arts (CA). The three requirements may be satisfied individually by satisfactory completion of three separate courses (see Core Curriculum requirements in Undergraduate Catalog). However, it is possible to satisfy all three requirements by satisfactory completion of two courses. This is accomplished by selecting a course that meets both MC and LPC and a second course meeting CA, or by selecting a course that meets both MC and CA and a second course meeting LPC. A list of courses that meet MC/LPC or MC/CA is available from the CASNR Dean's Office.
- d BA CURRICULUM GROUP:** Choose 21 hours (not used to fulfill another requirement) of upper-level courses (3000 and 4000-level) from at least three of the following areas: ACCT, BECO, FIN, ISQS, MGT, MKT. At least nine hours must be senior-level courses. Be aware that some 3000 and 4000-level courses will have prerequisites. Please refer to course descriptions.
- e FREE ELECTIVE:** Three hours of free elective are chosen from any course not used elsewhere in the degree program.
- f AGGB CURRICULUM GROUP:** Select five courses from the AGGB Group -- AAEC 4303, AAEC 4304, AAEC 4305, AAEC 4306, AAEC 4309, AAEC 4312, AAEC 4313, AAEC 4315, AAEC 4317, AAEC 4385, and AAEC 4000. One of the 5 courses must be chosen from AAEC 4305, AAEC 4306, or AAEC 4313.
- g MACROECONOMICS SEQUENCE:** Successful completion of ECO 2302, with a grade of C (or better), is prerequisite for ECO 3311.
