

2018 Ag Eco Association Fertilizer Sale

This is your opportunity to purchase your annual supply of complete lawn and garden fertilizer with **Free Delivery**. We are offering two types of fertilizer this year. Both of these fertilizers are excellent formulations-each designed to address your particular lawn and garden needs-and the Ag Eco Fertilizer is specially blended for the South Plains Region!

Our **21-7-7-2-14 Ag Eco Fertilizer** is composed of 21% nitrogen, 7% phosphorous, 7% potassium, 14% sulfur, and 2% iron. The application rate is 20 lbs. / 1000 sq. ft. with a price of \$23.00 per 40-lb. bag.

The **20-0-3 with dimension Fertilome Crabgrass Preventer** is composed of 20% nitrogen, 0% phosphorous, and 3% potassium. For use on established St. Augustine, Bermuda, and Fescue grass. One bag for 5000 sq. ft. with a price of \$23.00 per 20-lb. bag.

The Agricultural Economics Association is a student organization. The proceeds from this fertilizer sale are used to support the *Agricultural Economics Association Scholarships*. We are very excited to have the opportunity to participate in this sale again.

To place an order, complete and detach the form below, enclose a check made payable to **Ag. Eco. Association** and return to:

Texas Tech University, Agricultural Economics Student Association
Department of Agricultural and Applied Economics
Box 42132
Lubbock, TX 79409-2132

If you are on campus, you may return your order through campus mail, mail stop 2132. **Order deadline is February 16, 2018.** Orders will be accepted by mail only. If you need any additional information, please call 806-742-2821 or email carter.p.estes@ttu.edu or cindy.dickson@ttu.edu and we will contact you as soon as possible.

Fertilizer will be delivered to your address on Saturday, March 3, 2018. Frequent application of fertilizer throughout the growing season is suggested by Texas Tech agronomists.

Detach below and send with check.
