To All Region I- 4A-5A Coaches, Directors, and Sponsors

Welcome to Texas Tech University – home of the Red Raiders! We look forward to spending time with you on Friday and Saturday, April 25-26, 2025. Texas Tech UIL realizes students enjoy the pursuit of excellence and seek opportunities to test themselves against their own accomplishments and the accomplishments of others. Texas Tech UIL believes the classroom is enriched by the flow of student energy into the more intensified arena of competition which feeds back into the classroom.

Therefore, we at Texas Tech UIL affirm that students are the focus of our endeavors and deserve an opportunity to nurture self-realization and build self-confidence; fill a sense of pride and dignity; experience teamwork and develop a sense of fair play; develop the ability to lead and willingness to follow; compliment their classwork with practice and performance; and discover ultimately the true meaning of winning is doing one's best.

Because of changes in this fast-moving world we live in, Texas Tech UIL will continue to provide an exciting, educational, and safe competition for all our students in Region I. Best of luck with your competition at the Region I 4A-5A academic meet. We look forward to seeing you there.

Best regards,

Jack Barton and D'Nan Mathis

REGIONAL MEET INFORMATION

The Information Table will be located outside room 168 in the Media/Com. Building.

RESULTS

All results can be found on Speech Wire under the Region 1 results page, posted outside the Tally Room 168 in the Media/Com. Building, or by using the QR code, which will be provided at the meet.

TESTS

Following UIL rules, tests will not be released until Saturday.

DROPS AND ALTERNATES

District chairs should notify alternates ASAP as they are told of qualifiers that will not be attending the meet. District chairs should also notify the Region Director at jack.barton@ttu.edu of alternates that have been seated.

SUBSTITUTIONS

The CC&R states that a qualifying team may substitute one team member at the Region level. The coaches of the said team should submit a substitution form for the substitution team to the Region Director.

GRADING

All coaches are expected to help with grading for non-writing events. Once the testing period finishes, coaches should report to the grading room for scoring. Again, the contests cannot start on time and efficiently if we do not have the help of all the coaches.
