IT'S POSSIBLE FROM HERE
Born from ideals that have weathered the test of time, Texas Tech University is a place to bring your potential to life. For over a century, the endless West Texas horizon has surrounded us with unlimited inspiration, and our dreams have grown bigger with each passing sunset. It's why we believe our best is yet to come. Come see everything we have to offer – from academic excellence to our Texas-sized campus and more.
The only thing more powerful than knowledge itself is the ability to cultivate it. To share it, grow it, and turn it into a force for good. And today, our institution has grown to offer more than 150 academic programs in ten colleges, helping our students develop skills through undergraduate research, find challenge as part of our Honors College (honors.ttu.edu), discover the world by studying abroad, and make a difference for communities of all kinds through service learning.

Like knowledge, the Red Raider spirit develops over time. Your first experience at a football or basketball game will make you realize why we chant “Raider Power,” and why we all believe so much in it. After wins and at graduations, the 1,200-pound Victory Bells ring, becoming a reminder that our progress can never be halted. And no matter the journey you take or the friends you make, you will be united with millions under the bold, beautiful, and powerful scarlet and black Double T.

www.admissions.ttu.edu/experience
Within the boundaries of our campus lies a world of experiences and communities. Our rec center is 242,000 square feet, with every inch designed to help you find passions and stay active. After a good workout, or even a day in our pool and lazy river, there are over 30 places on campus to eat, relax, and feel right at home. We also have an endless list of organizations, from academic to athletic, for you to find like-minded Red Raiders to share your experiences with.

GLOBAL GUIDES
Global Guides are current international students who connect with and mentor new international Red Raiders during their first year on campus.

CULTURAL EXCHANGE
Cultural Exchange matches international students to local families. The program allows international students the chance to experience American home life, engage with multiple generations, build lasting ties with the broader Lubbock community, and share their culture.
Lubbock is truly a city of contrasting beauty. The wide-open space is home to one of the nation’s closest communities. The vibrant art, music, and culture scene mixes perfectly with the highly spirited love for Texas Tech athletics. And no matter where you look, the classic West Texas hospitality and traditions are being honored by future-minded individuals like you.

APPLICATION CHECKLIST
These steps are required for admissions consideration:

- Applications for admission are available at goapplytexas.org or commonapp.org. Texas Tech does not have a preference for one type of application over another, but only submit one per admissions cycle.
- $75 application fee or fee waiver*
- Official transcripts (high school and/or college)
- Official SAT and/or ACT scores (Optional)
- Learn more at www.admissions.ttu.edu/testoptional

ADDITIONAL CHECKLIST ITEMS for INTERNATIONAL STUDENTS

- Submit official transcripts or any foreign credentials (English translation)
- Proof of English Proficiency
- New First Time Student Acknowledgment Form

ASSURED ADMISSION
Students graduating from high school may be assured admission by presenting the required combination of test scores and class rank indicated below.

ACT composite score, SAT reflects evidence-based reading and writing and math; the highest section scores from multiple tests on the ACT and SAT will be used to maximize score. Assured admission is granted to all students who hold competitive scholarships awarded by an official Texas Tech scholarship committee.

Students applying to the following majors should meet assured admission or be reviewed and accepted by the college or department:

- Biological Sciences
- Business (all)
- Engineering (all)
- Interior Design
- Physics

Students who are accepted to Texas Tech but not accepted to these majors will be placed into an Exploratory Program.

APPLICATION REVIEW
Students who do not submit ACT and/or SAT scores on their application or do not meet assured admission will be evaluated holistically.

- Academic course selection (Honors, AP, Pre-AP, Dual Credit, IB)
- Extracurricular activities
- Leadership experiences
- Civic or other service activities
- Socioeconomic background
- Family educational background
- Special talents or awards
- Diversity of experience and background

We strongly encourage essays from the admissions application and up to three letters of recommendation.

TRANSFER REQUIREMENTS
Let us help you plan your classes to transfer to Texas Tech. Contact our transfer advising team to receive pre-transfer academic advising.

TRANSFER APPLICATION CHECKLIST
These items are required for transferring:

- Applications for admission are available at goapplytexas.org or commonapp.org.
- Texas Tech has no preference for one type of application over another, but it’s important that you submit only one per admissions cycle.
- $75 application fee or fee waiver*
- Official transcripts from all colleges attended.
- Students must submit a high school/secondary transcript if fewer than 12 transferable hours.

ADDITIONAL CHECKLIST ITEMS for INTERNATIONAL STUDENTS

- Submit official transcripts or any foreign credentials (English translation)
- Proof of English Proficiency
- Transfer Student Acknowledgment Form

APPLICATION REVIEW
Transfer students who do not meet assured admission but have at least a 2.0 cumulative GPA are evaluated holistically based on the following:

- Academic course selection
- Extracurricular activities
- Leadership experiences
- Civic or other service activities
- Socioeconomic background
- Family educational background
- Special talents or awards
- Diversity of experience and background

GPA is cumulative for all transferable courses from all schools attended. Courses taken for grade replacement are used for GPA calculation only if the same course is repeated at the institution where it was originally taken.

**Fee waiver program for domestic students only.

FIND VALUE

Texas Tech is consistently recognized as a best-value college. Grants, work-study opportunities, loans, and scholarships, which are awarded based on academic achievement, financial need, and extracurricular involvement, can make your education more affordable. www.admissions.ttu.edu/affordability

PRESIDENTIAL MERIT SCHOLARSHIPS

Merit scholarships are awarded to entering first-time freshmen and transfer students who show exceptional academic ability. Annual award amounts pay one-half toward fall and one-half toward spring terms. Transfer students may qualify if admitted by July 31st for fall entry or January 5th for spring entry.

MILITARY-FRIENDLY

We are proud to serve those who served. The Office for Military and Veterans Programs (MVP) provides students assistance with the financial aid (GI Bill and Hazlewood Act) application process, registering for classes, and throughout each student’s college career. www.mvp.ttu.edu

NON-RESIDENT STUDENTS

You could qualify for Texas resident tuition and fees when awarded at least $1,000 in competitive scholarships from Texas Tech per academic year.

TRANSFER YOUR FINANCIAL AID

You can ensure aid eligibility when you transfer from your current school by adding Texas Tech as a school you plan to attend on the Free Application for Federal Student Aid (FAFSA). www.fafsa.ed.gov

MEET YOUR FINANCIAL AID ADVISOR / www.financialaid.ttu.edu/myadvisor

Our financial aid advisors are ready to visit with you and your family in a one-on-one session to discuss your financial aid award or to learn more about how you can afford Texas Tech University. Your assigned advisor is based off your last name.

WE BELIEVE WE CAN CHANGE THE WORLD

AS MANY BEFORE US HAVE

With unlimited belief and unlimited energy, Red Raiders have printed their names into the pages of history. And our work is far from done. With a degree from Texas Tech, you’ll graduate with more than just the skills to be an achiever – you’ll leave with a proud and undying belief that you can always do more.
