

Application Fee Waiver Request Instructions

The Office of Undergraduate Admissions supports a fee waiver program for qualifying **Freshmen and Transfer applicants**. The waiver covers the cost of the application fee to Texas Tech University. To qualify, the applicant must demonstrate the application fee presents a significant financial hardship and be one of the following:

- a United States Citizen, or
- a U.S. Permanent Resident, or
- a student identified under Senate Bill 1528 (79th Legislature, 2005) as a resident of Texas.

The preferred method of demonstrating the fee presents a financial hardship is for an applicant to submit the Free Application for Federal Student Aid (FAFSA) at www.fafsa.ed.gov.

- No Application Fee Waiver Request Form or additional supporting documentation will be necessary if an applicant's FAFSA information is submitted. The FAFSA information is automatically reviewed upon receipt and provides a faster decision, as all necessary information will be reviewed from the student's FAFSA application.
- Applicants that are **unable** to submit a FAFSA, or may qualify under a special circumstance that is not Financial Aid based, may continue to submit the Application Fee Waiver Request Form.

Application Fee Waiver Requests Forms will be processed after **all** supporting documentation is received. Submission of the Application Fee Waiver Request Form does not guarantee approval.

Please send the completed form and all supporting documentation to:

Texas Tech University
