### What should I wear?

Business professional is recommended (but not required) as a good first impression to the law school representatives. The Career Center has a clothes closet, and they also hold events for purchasing professional clothes on sale. Contact the Career Center for help on how to get business attire at 806-742-2210 or [careercenter@ttu.edu](mailto:careercenter@ttu.edu), or follow them on social media @ttucareers.

### Professional Conversation:

When speaking to the representatives remember that not only do you represent yourself but also TTU. Be respectful and professional even if you don't plan to attend the school they represent.

If you are interested in attending a specific school, it may help to research them before speaking with a representative. Treat this like a mini job interview. Come ready with questions about the programs they offer, or the city their school is located in. But no need to bring a resume. You will submit one later as part of your application.

You will likely fill out an information card for schools you are interested in. Write your information legibly and use your TTU or professional-sounding personal email account. Be sure to check your spam folders for communication from law schools.

### Questions to ask the schools:

- Do you have an application fee?
- What types of scholarships do you offer?
- What is your bar passage rate?
- Where do most of your graduates work?
- What is your median GPA and LSAT score?
- Do you offer [pick a concentration or specialty you are interested in]?
- What is your average enrollment size?
- What kind of extracurriculars/organizations do you offer?
- When looking at an applicant's LSAT score, if they have taken it more than once, do you take the average of the scores or the top score?

- What type of employment opportunities or internships do you offer your students?
- How can I schedule a visit to your campus, and can I sit in on a class during the visit?
- What is your average total cost of attendance, including tuition, fees, living expenses, books, supplies, parking pass, transportation, etc.?
- Are you a commuter school, or do most students live near the law school or on campus?
- What mental health resources are available to your law students?
- What other programs and services are available to law students? (Academic success program, tutoring, health and wellness programs, financial aid services, in-house IT services, meal plans, etc.)
- Do you have a mentoring program for 1Ls?
- What journals, clinics, and advocacy opportunities do you offer?
