June 24, 1993

Dr. Robert W. Lawless
President
Texas Tech University
Lubbock, Texas 79409

Dear Dr. Lawless:

It is my pleasure to inform you that the Houston Livestock Show and Rodeo will contribute two awards to the Texas Tech University College of Agricultural Sciences and Resources. These are:

1. [REDACTED] to initiate an endowment to provide support for the Center for Agricultural Technology Transfer. Funds for this award will be sent to the University on or about September 1, 1993; and,
2. [REDACTED] as a contribution to the Houston Livestock Show and Rodeo Scholarship Endowment Fund. This award will be presented this fall during the Show's annual campus visit.

It is especially gratifying to know that these funds will be matched through the generous support of Houston Endowment. It is our request that the total [REDACTED] matching funds be designated for the endowment for the Center for Agricultural Technology Transfer, a most worthwhile undertaking.

We are delighted to continue our support of programs at Texas Tech University. If I may be of any personal assistance in the future, do not hesitate to call me.

Sincerely,

[REDACTED]

Michael H. Nathanson
