2024

Davis College of Agricultural Sciences and Natural Resources
Award Selection Committee

Dear Committee,

It is my pleasure to recommend Dr. Ryan Rathmann for the Davis College Teaching Award. Dr. Rathmann is a current faculty member at TTU and has been a member of the faculty for a minimum of three years.

Dr. Rathmann has demonstrated teaching excellence, as evidenced by above average teaching evaluations while maintaining an above average teaching load. In addition to effective instruction, achievement of learning outcomes, and valuable learning experiences, Dr. Rathmann has also demonstrated teaching excellence through teaching-related activities outside of the classroom. Dr. Rathmann excels at experiential teaching, as evidenced by his faculty coordination of the livestock judging program. The experience has a lifelong impact on the students in the program and teaches not only skills but life lessons. Dr. Rathmann has been recognized both within and beyond the institution for outstanding teaching and contributions related to excellence in teaching.

Please find attached Dr. Rathmann's vita and a summary of student teaching evaluation scores.

Regards,

Dr. J Chance Brooks, Chair
Department of Animal and Food Sciences
Texas Tech University
