RECOGNITION OF NEW FUNDS

Jane Piercy, Director of Development and External Relations

RECOGNITION OF OUTSTANDING AGRICULTURALISTS

Student Agricultural Council

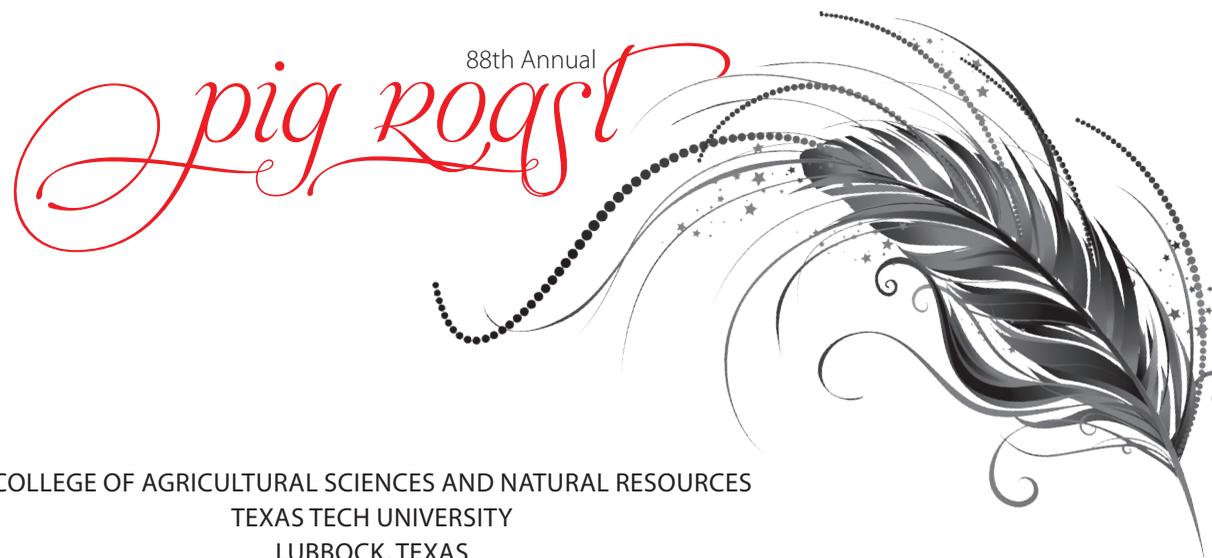

Chamonix Mejia, Secretary

Joshua Alford, Vice President

Shelby Maresca, Scribe

CLOSING REMARKS

Sinclair Doblebower, President

COLLEGE OF AGRICULTURAL SCIENCES AND NATURAL RESOURCES
TEXAS TECH UNIVERSITY
LUBBOCK, TEXAS

THE STUDENT AGRICULTURAL COUNCIL

The Student Agricultural Council is composed of two representatives from each of the departmental clubs and the College of Agricultural Sciences and Natural Resources' Student Senators. A representative from the Office of the Dean of Agricultural Sciences and Natural Resources serves as a sponsor.

The purpose of the Student Agricultural Council is to establish a working relationship between students, faculty, administration and the agricultural community for the betterment of the students and the College of Agricultural Sciences and Natural Resources.

The goals of the Agricultural Council are:

1. To establish sound relations among agricultural students.
2. To establish a common bond among agricultural organizations at Texas Tech.
3. To foster better relations with the faculty.
4. To establish better communications within the university system.
5. To strive to maintain and improve relations within the agricultural community.

The annual Pig Roast is only one of the functions sponsored by the Agricultural Council to attain these goals.

STUDENT AGRICULTURAL COUNCIL OFFICERS 2015-2016

PRESIDENT

Sinclair Dobelbower

VICE PRESIDENT

Joshua Alford

SECRETARY

Chamonix Mejia

TREASURER

Taylor Kalka

SCRIBE

Shelby Maresca

*The J. Raymond Boyd Endowment, the Gerald W. Thomas Outstanding Agriculturalist Endowment,
and the Dean's Fund for Excellence financially support the Eighty-eighth Annual Pig Roast.
No state funds were used to support this function.*

INTERCOLLEGIATE DEPARTMENTAL TEAMS

The College of Agricultural Sciences and Natural Resources has a long history of success and accomplishments in intercollegiate competition. The various judging teams, academic teams and the rodeo teams are integral parts of the College and our students' education.

In fact, the College had a judging pavilion before it had a classroom. The Livestock Judging Pavilion was one of the first buildings on the Texas Tech campus and one of the College's two initial buildings. Over the years, the Pavilion has been one of the most versatile buildings on campus—livestock judging, basketball games, Pig Roast and landscape architecture studio. Today, it still symbolizes the commitment to and importance of intercollegiate teams as a critical educational component of the College.

The first Pig Roast, held in 1929 at the Livestock Pavilion, was a send off for the livestock judging team prior to their departure for the International Livestock Exposition in Chicago. A pig was roasted in a pit and the meal was enjoyed by the judging team and all who came to support them. Every year since, the Pig Roast has honored the College's intercollegiate teams in this time-honored tradition.

Agronomy Quiz Bowl Team

Coaches: Glenn Ritchie

Equestrian Team

Coaches: Danica Jorgensen
Lindsey Overman

Horse Judging Team

Coach: Kelly Riccitelli

Institute of Food Technologists College Bowl Team

GERALD W. THOMAS OUTSTANDING AGRICULTURALIST AWARDS

Est. 1969, the Gerald W. Thomas Outstanding Agriculturalist Awards recognize people who contribute immeasurably to the general good of the agricultural industry. Individuals eligible for the awards must be successful and distinguished in his or her profession, business, and other worthy endeavors. They must have demonstrated significant contributions to the agricultural industry and be recognized by their contemporaries for their contributions.

Three individuals are selected each year to receive the awards; one each in the categories of agricultural production, agribusiness, and public service. Nominations are accepted from former Outstanding Agriculturalist Award recipients, administration, and faculty of the College of Agricultural Sciences and Natural Resources.

Former award recipients and College administration rank the nominees in each category and submit their selections to the Dean of the College. The award recipients are announced and honored each year in conjunction with the annual Pig Roast.

FRANK S. PRICE

AGRICULTURAL PRODUCTION

Frank S. Price is a fourth generation rancher whose great-grandfather, W. L. Foster, started in the ranching business in 1876 and moved to Sterling County to establish a permanent ranching operation in 1882. Frank currently operates a portion of the original acreage along with additional land of his own.

Frank graduated from Sterling City High School in 1969 and went on to receive a bachelor's degree in Agricultural Economics with an emphasis on Ranch Management in 1973 from Texas Tech University. After graduation, his father, Foster S. Price, made him a full partner in the ranch. Frank later did the same with his own son, Sims, following his graduation from Texas Tech in 2006.

During his career on the ranch, Frank has been involved in raising sheep, goats and cattle, as well as in an extensive wildlife hunting program. His involvement in the sheep business has earned him and his father multiple wins during national wool shows throughout the nation. Angora and meat goats have been an important part of the operation, and seed stock rams are sold on the ranch. Previously, the Prices had a registered herd of Hereford cattle, and as the intensive grazing program matured, the registered cattle were phased out and now a commercial cattle program is in full swing.

Improvement of the rangeland resource is Frank's biggest passion, and has become the key to profitability on the ranch. His intensive style of grazing management has earned him numerous awards for rangeland stewardship. Among those awards are the Outstanding Rangeland Stewardship Award presented by the Texas and Southwestern Cattle Raisers Association and the Texas Society of Range Management, and the Environmental Stewardship Award presented by the National Cattlemen's Beef Association, Dow AgroSciences, the Natural Resources Conservation Service, the US Fish and Wildlife Service and Tyson Foods.

He has been very active in working with various state agencies, including the Texas Forestry Service, to find ways of effectively working within the ranching community to control and mitigate wildfires within the state.

Frank has served on the Sterling County School Board for 16 years, Sterling County Nursing Home Board, and Texas Sheep and Goat Predator Management Board. He is currently serving on the boards of the Texas and Southwestern Cattle Raisers Association, Texas Society of Range Management, Texas Sheep and Goat Raisers Association, Sterling County Underground Water District, Sterling County Wildlife Conservation Association, Concho Grazing Lands Conservation Coalition and is currently on the Texas Tech Department of Natural Resources Management Advisory Board, among others.

Frank and his wife, Ginger, have two daughters, Jessica and Barbi, and two sons-in-law, Jason and Jody, who are always willing to lend a hand, making the ranch work a family affair.

LES EUBANK

AGRIBUSINESS

Les Eubank is a West Texas native whose passion for Texas Tech University and his community, is surpassed only by his love for his family. A veteran of the banking industry, he has strived for honor in all aspects of his life and continually works to provide for others in the Agricultural field.

Les was born the last of five children to Perry and Charlene Eubank. Growing up on a 160 acre farm north of Idalou introduced him to the world of Agriculture at a very young age. After graduating high school in 1969, he made the decision to attend Texas Tech University where he earned a bachelor's degree in business with a minor in Agricultural Economics while serving as a member of Saddle Tramps. Later, he also attended the International School of Banking and the Southwestern Graduate School of Banking.

Les has more than 34 years of banking experience. He began his career at First National Bank of Lubbock where he rose to the rank of Sr. Vice President, and was Group Manager of the Agribusiness and Commodity Lending Area. He joined PlainsCapital Bank in 1993. He mostly recently served as West Texas Region Chief Lending Officer and is now responsible for bank management and business development as well as commercial and consumer lending, serving as President of the Lubbock Market since 2007. PlainsCapital Bank is Lubbock's largest bank, and the second-largest privately held bank in Texas. In 2013, Les earned the Distinguished Service Award at the Bankers Agricultural Credit Conference.

He is active in the community, serving such organizations as the American Cancer Society of Lubbock as a past president, Children's Home of Lubbock Foundation as a board member, Hospice of Lubbock as a past president, Texas Boys Ranch Foundation as a board member, and United Way. He is also a member of the Red Raider Club.

Les believes that his greatest achievement has been raising a family with the love and support of his wife of 40 years, Sharon. He said he is grateful for the opportunity to pass on the lessons that his parents taught him. The couple have two children, a son Brett, who has served two tours in Iraq, a daughter, Jamie, and five granddaughters.

TOM DOUGLAS SELL

PUBLIC SERVICE

Tom Douglas Sell is a principal in Combest, Sell and Associates, an agriculture-focused lobbying firm with offices in Lubbock and Washington, DC. He earned a Bachelor of Science in Agribusiness from Texas Tech University in 1995.

Following graduation, Tom moved to Washington, DC, where he worked for four years as Deputy Chief of Staff at the U.S. House Committee on Agriculture. There he helped craft several significant and successful pieces of legislation, including the Agricultural Risk Protection Act of 2000, a crop insurance law, and the 2002 Farm Bill. He also served on the President George W. Bush Administration as part of the transition team in 2000, and later as Director of Intergovernmental Affairs at the USDA in 2003.

After moving back to his native West Texas, Tom earned a J.D. from the Texas Tech University School of Law in 2006. He and his partner, the Honorable Larry Combest who served nine full terms in the U.S. Congress and Chaired the House Committee on Agriculture from 1999 to 2003, began their firm in 2005 to provide guidance for a consortium of national agriculture organizations on the Federal Budget Process. Combest, Sell and Associates now has seven employees, and has established itself as a trusted source on matters relating to agriculture, as well as environmental and trade policy.

Tom currently serves as Board Chairman of Breedlove Foods focusing on international hunger relief, sits on the LMHS Foundation Board for Covenant Hospital, and braves the unrivaled politics of the Southwest Little League Board of Directors.

Tom is a fifth generation West Texan, with family roots in the Petersburg area. He is the grandson of G.R. and Pauline Sell, and J.B. and Betty Scarborough. His parents, George and Judy Sell, have been married for 54 years and have four children, Julie Swindle of Lubbock; Clay Sell of Dallas; Rob Sell of Fort Worth; and Tom, as well as 15 grandchildren. Tom met his wife, Kyla Nelson of Spearman, while at Tech and they were married in 1997. Tom and Kyla live in Lubbock where they are raising four children, Noah, Luke, Daniel, and Naomi. They are active both in the community and in their church.

The annual Pig Roast has long been a highlight of the academic year in the College of Agricultural Sciences and Natural Resources. Starting as an informal gathering of Texas Tech agriculture students some eighty-eight years ago, it has become a traditional event at which the College of Agricultural Sciences and Natural Resources, its students, faculty, and administration honor teams and individuals who have distinguished themselves and the University during the past year. Scholarship donors and recipients, as well as outstanding leaders in the field of agriculture, are also recognized and honored. This event also provides an opportunity to say Thank You to individuals and companies who have assisted in activities of the College. The Pig Roast is sponsored by the Student Agricultural Council of the College of Agricultural Sciences and Natural Resources.
