Pig ROAST

COLLEGE OF AGRICULTURAL SCIENCES AND NATURAL RESOURCES
TEXAS TECH UNIVERSITY

November 1, 2018

The Student Agricultural Council

The Student Agricultural Council is composed of two representatives from each of the departmental clubs and the College of Agricultural Sciences and Natural Resources' Student Senators. A representative from the Office of the Dean of Agricultural Sciences and Natural Resources serves as a sponsor.

The purpose of the Student Agricultural Council is to establish a working relationship between students, faculty, administration and the agricultural community for the betterment of the students and the College of Agricultural Sciences and Natural Resources.

The goals of the Agricultural Council are:

1. To establish sound relations among agricultural students.
2. To establish a common bond among agricultural organizations at Texas Tech.
3. To foster better relations with the faculty.
4. To establish better communications within the university system.
5. To strive to maintain and improve relations within the agricultural community.

The annual Pig Roast is only one of the functions sponsored by the Agricultural Council to attain these goals.

Intercollegiate Departmental Teams

The College of Agricultural Sciences and Natural Resources has a long history of success and accomplishments in intercollegiate competition. The various judging teams, academic teams and the rodeo teams are integral parts of the College and our students' education.

In fact, the College had a judging pavilion before it had a classroom. The Livestock Judging Pavilion was one of the first buildings on the Texas Tech campus and one of the College's two initial buildings. Over the years, the Pavilion has been one of the most versatile buildings on campus—livestock judging, basketball games, Pig Roast and landscape architecture studio. Today, it still symbolizes the commitment to and importance of intercollegiate teams as a critical educational component of the College.

The first Pig Roast, held in 1929 at the Livestock Pavilion, was a send off for the livestock judging team prior to their departure for the International Livestock Exposition in Chicago. A pig was roasted in a pit and the meal was enjoyed by the judging team and all who came to support them. Every year since, the Pig Roast has honored the College's intercollegiate teams in this time-honored tradition.

Gerald W. Thomas

Outstanding Agriculturalist Awards

Established in 1969, the Gerald W. Thomas Outstanding Agriculturalist Awards recognize people who contribute immeasurably to the general good of the agricultural industry. Individuals eligible for the awards must be successful and distinguished in his or her profession, business, and other worthy endeavors. They must have demonstrated significant contributions to the agricultural industry and be recognized by their contemporaries for their contributions.

Three individuals are selected each year to receive the awards; one each in the categories of agricultural production, agribusiness, and public service. Nominations are accepted from former Outstanding Agriculturalist Award recipients, administration, and faculty of the College of Agricultural Sciences and Natural Resources.

Former award recipients and College administration rank the nominees in each category and submit their selections to the Dean of the College. The award recipients are announced and honored each year in conjunction with the annual Pig Roast.

Prior to serving as Chairman of the ACP, Shawn served as Chairman of the ACP Farm Policy Task Force, serving as a key asset in the creation of the newly established seed-cotton program for all U.S. cotton producers.

Additionally, Shawn serves as one of the original founders and Chairman of the Plains Cotton Growers, Inc. Political Action Committee (PCGPAC), the PCG political action arm which provides a unified voice and advocacy for cotton producers in U.S. politics. He is a past chairman of Plains Cotton Growers, Inc., and is a past president of Lamesa Cotton Growers.

Shawn has also represented U.S. cotton producers internationally promoting U.S. cotton overseas, while attending as a member of a Cotton Council International trade delegation to China and South America. Shawn recently was named the winner of the 2017 Cotton Achievement Award from Cotton Grower magazine and was the Farm Press "High Cotton" Award winner for the Southwest Region in 2012.

JODEY C. ARRINGTON
PUBLIC SERVICE

Congressman Jodey Arrington was raised in Plainview, Texas, the son of a tractor salesman and a school teacher. Jodey graduated from Texas Tech and his passion of public service took him to Austin, Texas where he worked for Governor George W. Bush. He was then tapped by President Bush to join the White House as a senior advisor before being appointed as Chief of Staff to the Federal Deposit Insurance Corporation.

In 2007, he returned to West Texas where he was Vice Chancellor of Research and Commercialization for the Texas Tech University System before taking the helm as President of a healthcare innovation company in Lubbock.

In January of 2017, Jodey became only the fifth person to represent Texas' 19th Congressional District since its formation in 1935. In Congress, Jodey has been a tireless advocate for reining in the federal government, promoting agriculture and energy, strengthening national security, and respecting the Constitution.

He is a member of the Agriculture, Budget and Veterans' Affairs committees and serves as Chairman of the Subcommittee on Economic Opportunity for Veterans' Affairs. He also serves on the Joint Select Committee on Budget Process Reform.

He is grateful to serve and is especially thankful for the tremendous sacrifice and support of his wife, Anne, and their three children, Nate, Jane and Henry.

== 91ST ANNUAL ==

Pig ROAST

The annual Pig Roast has long been a highlight of the academic year in the College of Agricultural Sciences and Natural Resources. Starting as an informal gathering of Texas Tech agriculture students some ninety one years ago, it has become a traditional event at which the College of Agricultural Sciences and Natural Resources, its students, faculty, and administration honor teams and individuals who have distinguished themselves and the University during the past year. Scholarship donors and recipients, as well as outstanding leaders in the field of agriculture, are also recognized and honored. This event also provides an opportunity to say Thank You to individuals and companies who have assisted in activities of the College. The Pig Roast is sponsored by the Student Agricultural Council of the College of Agricultural Sciences and Natural Resources.
