College of Agricultural Sciences
and Natural Resources

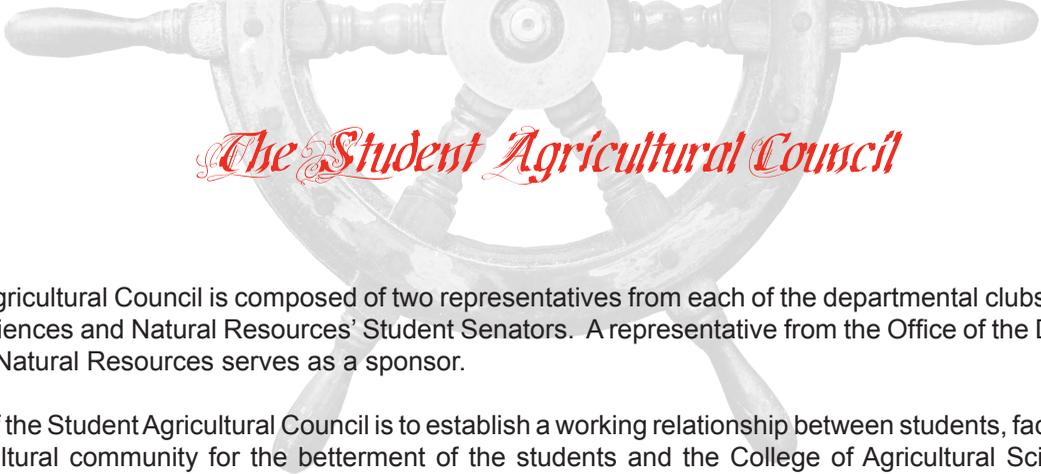

TEXAS TECH UNIVERSITY
86th ANNUAL
PIG ROAST

The annual Pig Roast has long been a highlight of the academic year in the College of Agricultural Sciences and Natural Resources. Starting as an informal gathering of Texas Tech agriculture students some eighty-six years ago, it has become a traditional event at which the College of Agricultural Sciences and Natural Resources, its students, faculty, and administration honor teams and individuals who have distinguished themselves and the University during the past year. Scholarship donors and recipients, as well as outstanding leaders in the field of agriculture, are also recognized and honored. This event also provides an opportunity to say Thank You to individuals and companies who have assisted in activities of the College. The Pig Roast is sponsored by the Student Agricultural Council of the College of Agricultural Sciences and Natural Resources.

Steer The Course

*The J. Raymond Boyd Endowment, the William D. and Gertrude O'Brien Fund, the Gerald W. Thomas Fund,
and the College's Fund for Excellence financially support the Eighty-sixth Annual Pig Roast.
No state funds were used to support this function.*

The Student Agricultural Council

The Student Agricultural Council is composed of two representatives from each of the departmental clubs and the College of Agricultural Sciences and Natural Resources' Student Senators. A representative from the Office of the Dean of Agricultural Sciences and Natural Resources serves as a sponsor.

The purpose of the Student Agricultural Council is to establish a working relationship between students, faculty, administration and the agricultural community for the betterment of the students and the College of Agricultural Sciences and Natural Resources.

The goals of the Agricultural Council are:

1. To establish sound relations among agricultural students.
2. To establish a common bond among agricultural organizations at Texas Tech.
3. To foster better relations with the faculty.
4. To establish better communications within the university system.
5. To strive to maintain and improve relations within the agricultural community.

The annual Pig Roast is only one of the functions sponsored by the Agricultural Council to attain these goals.

STUDENT AGRICULTURAL COUNCIL OFFICERS 2013-2014

President Krysti Kelley
Vice President Linsey Ogden
Secretary Christy Woerner
Treasurer Gretchen Lochte

Intercollegiate Departmental Teams

The College of Agricultural Sciences and Natural Resources has a long history of success and accomplishments in intercollegiate competition. The various judging teams, academic teams and the rodeo teams are integral parts of the College and our students' education.

In fact, the College had a judging pavilion before it had a classroom. The Livestock Judging Pavilion was one of the first buildings on the Texas Tech campus and one of the College's two initial buildings. Over the years, the Pavilion has been one of the most versatile buildings on campus—livestock judging, basketball games, Pig Roast and landscape architecture studio. Today, it still symbolizes the commitment to and importance of intercollegiate teams as a critical educational component of the College.

The first Pig Roast, held in 1929 at the Livestock Pavilion, was a send off for the livestock judging team prior to their departure for the International Livestock Exposition in Chicago. A pig was roasted in a pit and the meal was enjoyed by the judging team and all who came to support them. Every year since, the Pig Roast has honored the College's intercollegiate teams in this time-honored tradition.

In Memory of Dr. Gerald W. Thomas

Dr. Gerald W. Thomas served as Dean of Agricultural Sciences from 1958 to 1970. In 1969, the College established the Gerald W. Thomas Outstanding Agriculturalist Award in his honor. These awards recognize one individual from three categories – Production, Agribusiness, and Public Service – for their outstanding accomplishments and contributions to the Agriculture and Natural Resource industry.

During his tenure at Texas Tech, he had additional short-term assignments as Deputy Director of the Center for Arid and Semi-Arid Land Studies, and Acting Executive Vice-President. Prior to coming to Tech, Dr. Thomas served in several teaching and research positions at Texas A&M, including Research Coordinator for the Texas Agricultural Experiment Station.

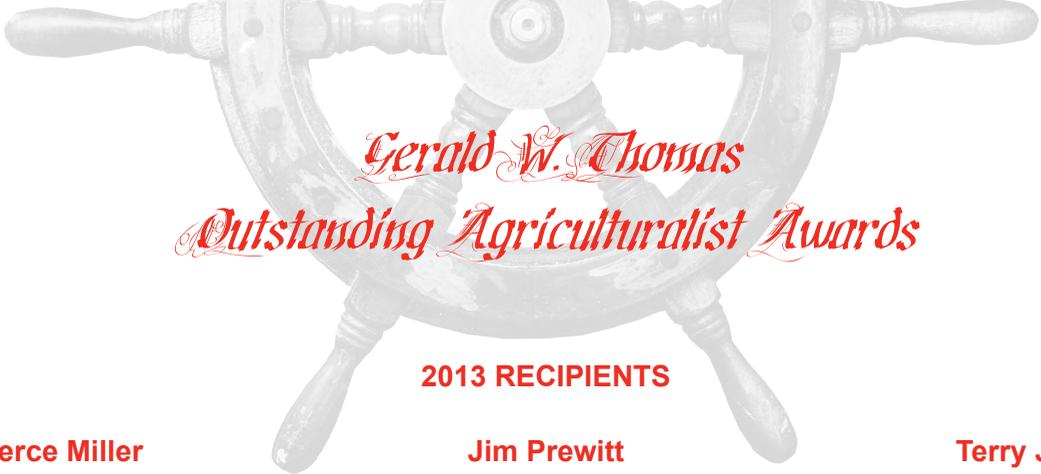

In August 1970, Dr. Thomas was named President of New Mexico State University, where he served in that capacity for 14 years. In 1984, New Mexico State named a \$1 million chair in agriculture in his honor and in 1988 designated the university's agriculture and home economics building as Gerald Thomas Hall. He was the author of numerous books and over 200 publications. Throughout his career he maintained a special interest in world food problems, environmental issues, natural resource management, and history. He served on the New Mexico State Board of Education, both the Texas and the International Board of Directors for the Society for Range Management, and the Research Advisory Committee for the U.S. Agency for International Development. He also helped organize the building of the New Mexico Farm and Ranch Heritage Museum.

Born and raised on a ranch in Small, Idaho in 1919, he grew up during the Great Depression. He finished high school and Junior College in Pasadena, Calif., then graduated from the University of Idaho in 1941. While in college and after graduation he worked for the U.S. Forest Service in Idaho. He joined the U.S. Navy during World War II, just after the bombing of Pearl Harbor. He served as a carrier-based Naval Torpedo pilot, flying a Grumman Avenger TBM from three aircraft carriers – the USS Ranger, USS Bunker Hill, and USS Essex. He was awarded three Distinguished Flying Crosses, two Air Medals, and two Presidential Citations for his combat actions. He retired from the Navy in 1945 with the rank of Lieutenant Commander.

Dr. Thomas passed away July 30, 2013 at the age of 94. He is survived by his wife of 67 years, Jean; his children, David, Peggy and Marianne; two grandchildren, Amy and Ethan; three great-grandchildren, Kynlee, Lair and Lake; and two brothers, Walter and John.

Outstanding Agriculturalists

Est. 1969, the Outstanding Agriculturalist Award recognizes people who contribute immeasurably to the general good of the agricultural industry. Individuals eligible for the award must be successful and distinguished in his or her profession, business, and other worthy endeavors. They must have demonstrated significant contributions to the agricultural industry and be recognized by their contemporaries for their contributions.

Three individuals are selected each year to receive the award; one each in the categories of agricultural production, agribusiness and public service. Nominations are accepted from former Outstanding Agriculturalist award recipients, administration and faculty of the College of Agricultural Sciences and Natural Resources.

Former award recipients and College administration rank the nominees in each category and submit their selections to the Dean of the College. The award recipients are announced and honored annually during the Pig Roast.

Pierce Miller

Agricultural Production

Pierce Miller of San Angelo and Ozona Texas, has been actively involved in the agricultural industry from birth. As a fourth generation Texas rancher, he was born and raised in Crockett County, where he grew up ranching. As a youth, he was actively involved in 4-H programs where his interests focused on the animals that he loved, Rambouillet Sheep. After graduation from Ozona High School, he attended The University of Texas in Austin and graduated with highest honors with a bachelor's degree in Business Administration.

Following his bachelor's degree, Pierce was employed by The Fort Worth National Bank for two years and then returned to West Texas to work at the San Angelo National Bank. While in San Angelo, he attended the Southwestern Graduate School of Banking at Southern Methodist University. He served as the Chairman of the Board of Directors, CEO and President of San Angelo National Bank/Texas Commerce Bank-San Angelo until his resignation in 1981, when he returned to manage his family's

ranching and oil and gas business.

As the 2000 "Citizen of the Year" for San Angelo, Pierce made his presence known throughout Texas and the nation for his service on a "Who's Who" list of significant boards and commissions. He has served as Chairman of the Board of the National Sheep Improvement Center, as President of the Board of the American Sheep Industry Association, and on the Texas Sheep and Goat Raisers' Association, the Mohair Council of America, the San Angelo Stock Show and Rodeo Association, the Texas Food and Fiber Commission, the Texas Agricultural and Natural Resources Summit Initiatives, Texas College of Agriculture, Research, Extension, & Teaching (T-CARET), the San Angelo Chamber of Commerce, and the San Angelo Industries and the West Texas Lighthouse for the Blind.

Other commitments and memberships include the Texas and Southwestern Cattle Raisers Association, the Massie Memorial Foundation, the San Angelo Symphony, Hospice of San Angelo, YMCA, the San Angelo Boys Club, and the Texas Manufacturers Association of San Angelo. Pierce has also served as the Vice Chairman of the Texas Board of Criminal Justice, and as a director of Ranchers Lamb of Texas. He is a current member of the Texas 4-H Foundation.

Earlier this summer, Pierce was awarded Man of the Year in Texas Agriculture for District 7 by the Texas County Agricultural Extension Agents Association and the Texas A&M AgriLife Distinguished Texan in Agriculture Award.

Pierce and his wife, Betty Baggett of Ozona, have one daughter, Camille Miller Yale, and 3 grandchildren. Their son, Rhett Miller, passed away in 1991.

Jim Prewitt

Agribusiness

Jim Prewitt is the founder, President and CEO of Landmark Nurseries, INC. Jim began his landscaping service doing jobs for friends, neighbors, and family. He transitioned to commercial and residential customers by opening his wholesale nursery in Garland, Texas.

He founded Landmark Nurseries in 1980 and made it into a corporation in 1985. In 1992, they moved the headquarters from Garland to Coppell, TX and began his long term goal of expanding facilities across Texas.

Over time, Landmark Nurseries has grown into one of the largest wholesale growers and distributors in of the state of Texas, with five locations – Dallas, Ft. Worth, Round Rock, San Antonio, and Houston.

In addition to these locations, they operate four growing facilities across the state – Edgewood, Grand Saline, Kirbyville, and Round Rock. Each of these locations operate different aspects of Landmark Nurseries goal to service the industry. The farms grow annuals, perennials, shrubs, ground cover and trees.

Jim and Landmark Nurseries acquired CX International in 2002. CXI is a company that produces high quality microbial products designed for biological solutions for soil fertility, waste management and bio-remediation.

Jim currently serves on the Happy Hill Farm Board of Directors, Texas A&M University College of Agriculture Development Council, Texas Tech University College of Agricultural Sciences and Natural Resources Advisory Board, State Fair of Texas Board, Texas Nursery & Landscape Association and the Texas Water Smart Steering Committee.

He is the founding member and chair of the Floriculture Advisory Committee at Texas A&M University, and a member of the American Nursery & Landscape Association, Ohio Florist Association and Southern Nurseryman Association. He is a supporter of the Dallas Summer Musicals, Fort Worth Livestock Show and Rodeo Auction, National Association of Agricultural Educators, Texas A&M and Texas Tech Congressional Intern Programs, and San Antonio Livestock Show and Rodeo.

Past service includes the National FFA Sponsors Boards, Texas FFA Foundation and founder of the Texas Agricultural Science Leadership Institute. He was recently honored with the 2013 Tribute to Texas Lifetime Achievement award. Jim has been a longtime supporter of the TALL Program serving as president of the TALL Foundation and chairman of the TALL Advisory Board.

Raised in Kirbyville, TX, he currently resides in Flower Mound, TX with his wife Paula. They have three children and are the happy grandparents of nine grandchildren. When not busy at Landmark Nurseries or any of his many volunteer duties, Jim enjoys spending quality time with his family at his lodge in Grand Saline, TX.

Terry J. Crofoot

Public Service

Terry Crofoot hails from the Flint Hills of Kansas. He spent his youth working on a family owned feedyard in Chase County Kansas. After graduating from Kansas State University with a Bachelor of Science in Business Administration, he settled in Lubbock to join the Crofoot Cattle Company, a family-owned cattle ranching, real estate and quarter horse business, and is currently the vice president.

Now moving into the fourth generation of family ownership, Crofoot Cattle Co., Inc. and its affiliates make up a diversified agri-business operation. Over the years, it has owned and operated multiple commercial feedyards, with a one-time capacity of 180,000 head and a stocker program numbering over 100,000 yearlings annually. Crofoot Ranches, LLP is the operating company for owned and leased ranches. Crofoot Ranches currently runs a 1,600 head cow-calf operation and a Quarter Horse breeding program at Bittercreek Ranch, Clarendon, Texas and Rescate Canyon Ranch, Lubbock, Texas. The Quarter Horse

breeding program and training program is an integral part of the overall ranching operation, with a goal to produce an all-around ranch horse with the cow, conformation, speed and disposition to be used on the ranch, in the arena, in versatility and on the trail.

Since 2011, he has served as the co-chairman of the Texas Tech Equestrian Center Programs Advisory Board, a council consisting of 50 members devoted to advancing and promoting the University's equestrian programs. Terry has also served on the Equine Sciences Advisory Committee at Colorado State University for the past five years, and recently took the reins as Chair of the committee. He has generously provided financial support to these programs, donating money, horses, in-kind gifts, and the expertise and time of his skilled employees. He has devoted his own time and demonstrated leadership and organizational skills to inspire and encourage others to further the success of these programs and the industry.

He and his family are also generous supports of the Texas Tech Health Sciences Center, where they have established the Crofoot Family Endowment in Epilepsy and the Crofoot Chair in Epilepsy in the School of Medicine. Their generosity has provided funding support to develop a comprehensive program for the diagnosis and treatment of epileptic disorders. Their generosity has been recognized by numerous university and community awards. In June of 2013, Terry was presented a Volunteer Service Award from the National Agricultural Alumni and Development Association.

Terry and his wife, Kelly, live at Rescate Canyon Ranch in Slaton, Texas. They have two children, Clay of Slaton, and Casey Crofoot Ringo of Colleyville, Texas, and two grandsons, Johnny and Joshua.
