

24 Hour Feline Observation

London Dewhirst

Objectives

- Observe feline behavior for 24 hours
- Develop an ethogram of feline behaviors
- Compare activity times of each behavior

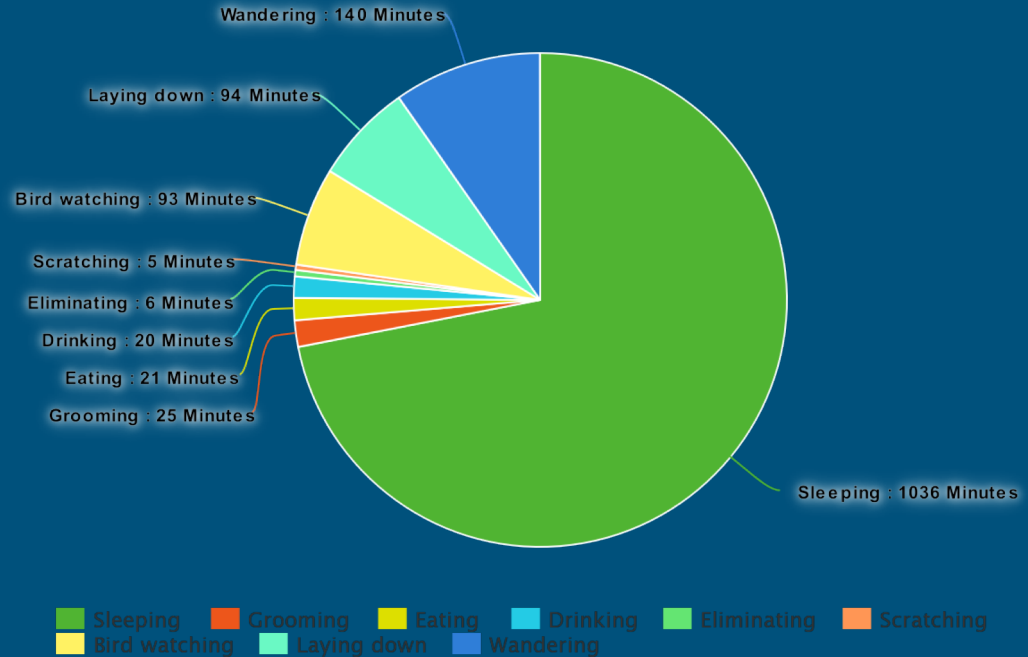

Ethogram

- Sleeping - 14
- Grooming - 6
- Eating - 6
- Drinking - 12
- Eliminating - 2
- Scratching - 4
- Bird watching - 3
- Laying down - 7
- Wandering - 5

Percentage of Time

Discussion

- Sleep is the primary activity
- Patterns in activities
 - Drink → Eat → Drink
 - Sleep → Groom → Sleep
