ABOUT ME

I am a licensed architect with significant experience in design, building, teaching, small business, and local government leadership and management of finances, operations, and employees. I ran a successful campaign and served as a town council person. I look for opportunities to work with others and to contribute my skills and experience toward building opportunities for students.

UNIVERSITY EXPERIENCE

Assistant Dean for External Affairs | Texas Tech University College of Architecture 2018 – present

Develop strategies related to external relationships. Serve as administrative staff for the Design Leadership Alliance. Supervise the External Affairs team including recruiting, scholarships and events. Build and maintain relationships with high schools, colleges, universities, and alumni.
