

CHRISTI WIER, AIA, NCARB

ARCHITECT

Professional and well-rounded architect with a passion for design that strives to exceed the clients' expectations. Track record of successful completion of design, construction documents and construction administration on a range of project scopes from a small community pool concession stand to an expansion of the Texas Tech College of Business. Strong knowledge in ICF construction, higher education and K-12 projects and Revit project setup and delivery. Moderate knowledge in high-end residential and community projects. Past projects include several school districts' bond work, a bank renovation and addition, a feasibility study for the TTU Vietnam Center and Archive, and TTUHSC renovations. Competent and willing to continue learning.
