

**DAVID TURTURO** Architect, Ph.D., LEED AP

## EDUCATION / CREDENTIALS

**Yale University:** Doctor of Philosophy, 2022; Master of Philosophy, 2019  
Architectural History Dissertation: *Caryatid: Architecture and the Framing of Bodies*  
Advised by Pier Vittorio Aureli, Annabel Wharton, Anthony Vidler, and Joan Ockman  
Translation proficiency certificate in French, coursework in German

**Harvard University:** Master of Design Studies, with Distinction, 2011  
History and Theory of Architecture: ...*Entries Lament: The Architecture of John Hejduk*  
Advised by K. Michael Hays, Rafael Moneo, and Peter Eisenman

**New York State:** Licensed and Registered Architect #041182-1, 2018 - present

**U.S. Green Building Council:** LEED Accredited Professional, 2008 - present

**Syracuse University:** Bachelor of Architecture, Cum Laude, 2007  
Awards Jury Thesis: *Vertical Venice: a hospice for the city*  
Advised by Mark Linder, Randall Korman, and Martin Hogue

## TEACHING

**Texas Tech University** (Assistant Professor, tenure-track) 2022-present

**Yale University** (Design Critic and Doctoral Teaching Fellow)

- Postprivacy: Designing New Centralities at the Border. (with Fernanda Canales) F2019
- Renaissance and Modern: Alternative Histories (with K. Forster and P. Eisenman) F2019
- Global Architectural History I: Prehistory to Baroque (with Kyle Dugdale) F2018
- Architectural Theory II (with Anthony Vidler and Marta Caldeira) S2018

**Boston Architectural College** (Adjunct Faculty)

History/Theory Electives

- Contemporary Architecture: 1943-present Summer 2022
- The City as Social Contract F2012, S2013, F2014

Graduate Comprehensive/Advanced Design Studios

- Wilderness Urbanisms F2012 S2014 S2016
- The Social City F2014

Undergraduate and Graduate Foundation Design Studios F2010 S2011 F2011 S2012

**Northeastern University School of Architecture** (Lecturer) F2012

- Tall Buildings in Historic Centers (Graduate Research Studio)

**Harvard University** (Instructor and Teaching Assistant), 2009-2011

- Career Discovery Summer 2011

Assistant to Jose Rafael Moneo

- Conversations on XXth Century Arc. (with P. Eisenman) 2011
- Behind Today's Architectural Trends 2010

Assistant to K. Michael Hays

- Buildings, Texts, and Contexts: Architecture Theory Since 1968, F2009, F2010
- The Architectural Imaginary: Experimental Architecture after 1970, S2011
- Critical Preservation Practices: Repositioning Conservation Theories, S2010

## PRACTICE

**OpAL** (design consultant), New York, NY, 2021

Authored report for park pavilion to be construction in Jardins de Métis, Quebec  
Consulted on design

**Perkins + Will**, San Francisco, CA, 2015

Completed SD and DD design work for 1.5msf multi-modal Saudi transit hub  
Coordinated Mechanical, Electrical, and Plumbing systems  
Organized correspondences for international team of architects, engineers, & consultants  
Led a BIM team incorporating complex rhino geometry into revit, between three countries

**Bruner/Cott Architects & Planners**, Cambridge, MA, 2012-2014

Primary author/editor for Metropolis Magazine series “Icon or Eyesore”  
Contributed to documentation, design work, proposals, reuse, or CDs for:  
Jose Lluís Sert’s Smith Campus Center (formerly Holyoke) (design and report)  
Jose Lluís Sert’s Harvard Science Center (conditions report)  
Hampshire College Welcome Portal (design competition)  
Harvard University Boathouses (conditions report)  
Jose Lluís Sert’s Boston University School of Law tower (DDs, CDs)  
Waltham Watch Factory Phase III (design and CA)  
The Foundry Providence Phase II (DDs, CDs)  
Peddocks Island Chapel Renovation (DDs, CDs, and CA)

**Butz + Klug Architecture**, Boston, MA, 2011-2012

Coordinated administrative tasks as a project architect for residential renovations.  
Designed furniture, roof and window details from schematics through construction.  
Developed relationships with builders and owners.

**Ashley McGraw Architects**. Syracuse, NY, 2009-2010

Participated in the design of a LEED certified elementary school rehab. and addition.  
Collaborated on the winning entry for a Le Moyne College building reconfiguration.  
Authored a book about architectural heritage in the Onondaga Nation.

**Cook + Fox Architects**. New York, NY, 2007-2008

Collaborated on SD, DD, and CD sets for a LEED gold-targeted telephone office tower.  
Coordinated with mechanical, structural, and environmental engineers.  
Assembled zoning envelope diagrams and cost-benefit analyses.

**Francis Cauffman Architects**. Baltimore, MD, 2006

Constructed renderings and CDs for academic and science buildings.

## INVITED JURIES and TALKS (selection)

### Guest Design Critic

Cornell University, The Cooper Union, University of Pennsylvania, Pennsylvania State University, Rhode Island School of Design, Harvard University, Pratt University, Yale University, University at Buffalo, University of Nevada Las Vegas, Syracuse University, University of Maryland, Northeastern University, Texas A&M, Wentworth Institute of Technology, University of Southern California

### Recent Papers Presented

- "Scaffold: The Punished Body in Urban Context." Institut für Geschichte und Theorie der Architektur Über uns. ETH Zurich Doctoral Workshop (2021)
- "Architecture and the Framing of Bodies," Yale Ph.D. Dialogue with Annabel Wharton, 2021
- "Image-Architecture-Place," Host and moderator for panel discussion in conjunction with exhibition "Swissness Applied" at Yale University School of Architecture, 2020
- "Caryatids, Cults, and Chorae." Yale Ph.D. Dialogue with Soffia Gunnarsdottir and Anthony Vidler. 2019
- "Access, Accountability, Architecture." Yale Ph.D. Dialogue with Esra Akcan, 2019
- "Rossi: A Reassessment." Coordinator with Elisa Iturbe, featuring Daniel Sherer, Marta Caldeira, Peter Eisenman, and Anthony Vidler. Yale University 2018
- "Models of Biopower: The Erechtheion Maidens" for Annabel Wharton's "Human and Posthuman Models" graduate Art History seminar, Duke University 2017
- "Le Gibet de Montfaucon: Monumental Corpse or Scaffold of History?" Ph.D. Dialogue with Pier Vittorio Aureli. Yale University 2017
