Presentations – Accepted	2

Scholarship & Research

- Performances/Exhibitions
 - Lior Galili - contributing to the 10th International Architecture Biennale in Rotterdam (IABR) as part of the architecture think tank, Fast, directed by Malkit Shoshan. The exhibition is titled, "IT'S ABOUT TIME" and will run from September 22nd to November 13th, 2022. "IT'S ABOUT TIME" addresses the topic of climate change and the consequences of our footprint on planet Earth.
- Contracts/Grants/Sponsored Research
 - Victoria McReynolds – The Nuckolls Fund for Lighting Education Board announced late January recipients of their 2022 grant funds, awarding Victoria McReynolds financial support in her development of an introductory architecture lighting course titled "Lighting on the Llano Estacado: Tools and Practice."
 - Jim Williamson – awarded a grant from the Graham Foundation for advanced studies in the fine arts. The grant is for publication of *The Ethical Mirror: Architecture, Dissidence, and the Radical Imagination*.
- Non-sponsored Research
- Intellectual Contributions
 - Julie Zook – published the co-edited book "The Covert Life of Hospital Architecture," which presents research and reflective essays on hospital design
 - Lior Galili – essay was recently published in the 12th issue of the *Cornell Journal of Architecture: After*
 - Anali Gharakhani – contributions to the forthcoming book *Notes from Another Los Angeles: Gregory Ain and the Construction of a Social Landscape* (MIT Press, 2022), has

been published; The book includes comprehensive sets of detailed floor plans and diagrams of each of the projects by Gharakhani

- Dalia Munenzon – co-authored paper, *The Interplay of Intersectionality and Vulnerability Towards Equitable Resilience*, has been published as part of an edited volume of the *Palgrave Encyclopedia of Urban and Regional Futures*
- Kristine Stiphany – lead author on the article "Informal Settlement Upgrading and the Rise of Rental Housing in Sao Paulo," a multi-scalar study of redevelopment - informality interactions in Brazil, with University of Texas professor Peter M. Ward and Brazilian geographer Leticia Palazzi Perez, Published in *Journal of Planning Education and Research*
- Galo Canizares (visiting professor) – signed a book contract with Routledge Publishing to provide an edited volume on digital fabrication practices called, *Homing the Machine in Architectural Design*
- Chris Taylor - contributed an essay, "Once Mountain, Now Pit, Pile, Pipe" to the June 2022 *Brooklyn Rail Critics Page* this past month
- Lior Galili - essay on Nof-Yam Public Health Clinic, designed by Doron Sheinman Architects, has been published in ARCHELLO's online magazine
- Stephen Mueller AND Ersela Kripa – chapter published in Design for Vulnerable Communities (Springer, 2022). Their chapter entitled "Drawn Across Borders" details recent projects engaging design for environmental justice in transboundary regions, including in the Hong Kong/Shenzhen border region and El Paso/Ciudad Juarez border metroplex.
- Intellectual Property
- Presentations
 - Upe Flueckiger – lecture & studio critique at Texas A&M University's Department of Architecture on March 21, 2022. Flueckiger's lecture was entitled: Tectonics - The Architecture of Donald Judd
 - Upe Flueckiger – delivered a lecture at the University of Arizona College of Architecture, Planning, and Landscape Architecture (CAPLA) titled, *Natural Light - The Architecture of Donald Judd*
 - Jeffrey Nesbit – delivered a panel discussion and lecture for Cooper Union's spring lecture series on his forthcoming book, *Nature of Enclosure* (Actar, 2022)
 - Ersela Kripa – talk on February 10th at University of San Diego Department of Art, Architecture + History (DAA+AH) about her practice, AGENCY, and their work on advocacy against the immigration detention complex on the US-Mexico border
 - **Stephen Mueller** – invited to co-chair the third annual joint **AIA/ACSA INTERSECTIONS Research Conference** dedicated to the INTERSECTION of Education, Research and Practice
 - Kristine Stiphany – delivered a lecture for the University of Oxford's Sustainable Development program on January 18, 2022
 - **Hazem Rashed-Ali** – delivered a keynote speech on June 8th, 2022, at the **International Symposium on Research and Dissemination in Design and Built Environment**, organized by The Faculty of Design and Architecture, University Putra Malaysia, in collaboration with The Council of Head of Architectural Schools Malaysia (COHAS).

Titled: "Redefining and Realigning Research and Dissemination in Architecture", the keynote focused on approaches for assessing the quality of research and scholarship for architectural academics. The keynote was based on an ACSA 2019 white paper, which focused on the same topic for which Prof. Rashed-Ali was a lead author.

- **Julie Zook** – keynote lecture at the 13th International Space Syntax Symposium at the Western Norway University of Applied Science on Thursday, June 23rd. Her lecture is titled: "The Social Logic of Health", and looks at how the realities of hospital space demand new theoretical and methodological developments.

Teaching

- Directed Student Learning
- Non-credit Instruction Taught
- Post-doctoral Associates Supervised
