Camp Rules

The following rules are for your safety and the safety of the other campers and members of the Texas Tech University community. The School of Art director has the discretion to drop you from the camp without refund and notify your parents immediately for any singular violation or accumulation of violations of the following rules. Any illegal action by a camper will be reported to the appropriate law enforcement agency. The first four rules are “Zero Tolerance” offences.

1. USE OR POSSESSION of illegal drugs, alcohol, tobacco, or mood-changing/mind-altering substances will not be permitted. A violation of this rule will result in immediate expulsion from the camp and notification of your parents. This includes E-Cigarettes, vape pens, Juul, etc. REGARDLESS OF THE LIQUID BEING USED.

2. USE OR POSSESSION of firearms, knives, or weapons of any kind will not be permitted. A violation of this rule will result in immediate expulsion from the camp and notification of your parents and home school director.

3. Campers are NOT allowed to go into the rooms or halls of the opposite sex at any time, for ANY reason. A violation of this rule will result in immediate expulsion from the camp and notification of your parents.

4. Any altercation of a physical nature is not permitted. A violation of this rule will result in immediate expulsion from the camp and notification of your parents.

5. Matches, lighters, incense, candles, fireworks, and any pyro-technical devices are not allowed at the camp regardless of their intended use.

6. EXHIBIT RESPECT FOR AUTHORITY, PROPERTY, AND EACH OTHER AT ALL TIMES.

7. DO NOT ALTER YOUR NAMETAG IN ANY WAY - DO NOT ADD “DECORATIONS.”

8. ATTEND ALL CLASSES. It is the student’s responsibility to keep track of time - including morning wake-up.

9. ALL STUDENTS ARE REQUIRED TO ATTEND EVERY CAMP ASSEMBLY. Important announcements will be made at that time.

10. Clothing should be worn which is in good taste and which does not attract undue attention. Camp supervisors WILL send violators to their rooms to make suitable changes. Swimsuits may be worn only at the swim party.

11. While waiting for a class or during free time between classes, do not block hallways or stairways in the Art building, residence halls, or anywhere else.

12. No food or drinks are allowed inside the studios. Help keep the camp in good standing with the University by taking care of the facilities, furniture, and appliances. Any student who defaces or destroys the afore-mentioned will be responsible for repair or replacement. This includes the residence hall door peepholes.

13. For safety, ALWAYS walk with the group and assigned advisors.

14. For safety, ALWAYS use the crosswalks.
15. Any campers caught in the act of "over display of affection" (ODA) will be dealt with by the residence hall supervisors.
16. Non-camp guests are NOT allowed at any of the studios or the residence hall.
17. Residence Hall room changes will be made ONLY through the residence hall camp office. If a room change is desired, all four people involved in the change must be present at their residence hall office at the same time with all keys to the rooms involved.
18. Keep your room locked at all times. (Always check the knob to see if it is locked when you are leaving.)
19. No portable lighting such as lamps, lava lamps, or any other similar portable lighting is allowed in the dorms.
20. Students are not allowed to use their cell phones after lights out. Be respectful of your roommates and others in your hall.
21. No running is allowed in the residence halls.
22. Students must only be on the camp’s assigned floors. Campers are not allowed to explore other areas of the building, including residence hall floors and/or restrooms not assigned to the camp.
23. Personal hygiene and proper personal grooming habits are a necessity! Be sure to bathe, use deodorant, and properly use bathroom facilities. If you need them, washers and dryers are located in the basement of each residence hall. Do not use those in the residence halls of the opposite sex.
24. Leave the air conditioner vent in your dorm room alone!
25. For your safety and the safety of others, tampering with smoke detectors or sprinkler heads is prohibited. Do not attach or hang items from sprinkler heads, as this can easily activate the sprinkler system.
26. All room windows are to remain closed and free of writings, signs, etc. at all times.
27. Do not allow trash to accumulate in your room. Take it often to the trash bin located on your floor.
28. Read the fire escape/tornado info in your residence hall.
29. Do not play on the elevators or overcrowd them. If they break down, they will be turned off by the university.
30. Loud/disturbing electronic media in your room will be stored by your counselor until the last day of camp. Your parents will be notified of this action.
31. Keep the lounges neat and clean of clutter (cans, trash, etc.). Be courteous to the university cleaning staff and careful with your food and drinks.
32. Proper behavior is expected in the dining halls as well as on the rest of the campus. Be courteous to the workers in the dining halls. Do not leave your trays on the table after eating. Do not pile up trays at the return window.
33. Consider carefully what you say with social media. Bullying of any kind will not be tolerated.
34. Consider carefully the consequences of all of your actions.

COVID-19 POLICIES

1. All campers, staff, and faculty must follow the Texas Tech University Summer Camp Protocols.
   a. Protocols can be found here: https://www.depts.ttu.edu/communications/emergency/coronavirus/

ADDITIONAL POLICIES

2. Masks are recommended but not required.
3. Masks are available at the entry of the ART Building and 3d Art Annex.
4. If a camper shows signs of symptoms related to COVID-19, parents and the Residence Life Coordinator will be notified immediately, and the student will be made to feel as comfortable as possible. Individuals who test positive or are symptomatic should be picked up as soon as possible. Unfortunately, no refund will be given in the event of a positive test result.
