The Texas Tech Pre-College Art Immersion Program is not able to dispense **ANY** medical treatment or medication to students, including prescription or over-the-counter medication. Program participants requiring emergency treatment will be taken to the University Medical Center emergency room unless otherwise specified. Every effort will be made to contact a parent/legal guardian prior to seeking pertinent insurance/Medicaid information.

In case of accident or sudden illness/injury to the above-named child and in the event that I cannot be reached by phone, I hereby authorize a representative of Texas Tech University to seek medical treatment for my child. I hold Texas Tech University and its employees harmless from all liability resulting from any accidents or illness to my child. I verify that all information on this form is complete and accurate. I have read and understand all information contained herein.

Release and Hold Harmless Agreement

Inventory List of Processes Covered, Personal Protective Equipment Provided and Potential Hazards in Labs for Minor Child

- *Proper Ventilation for all processes will be provided in each lab
- *All PPE will be provided by PCIP for the Minor Child

I hereby affirm that I desire to have my minor child participate in said program. Transportation to and from this event is not provided nor managed by Texas Tech University. We assume no liability for transportation to or from this event. The participant is wholly responsible for all risks related to transportation and parking.

I understand that my minor child will participate in general classroom, educational and recreational activities during this program. I am aware of the dangers associated with such activities.

In consideration of allowing my Minor Child to attend the above mentioned activities, I, the undersigned, do hereby release, indemnify, and hold harmless Texas Tech University, its Board of Regents, all the University's officers, agents, and employees, and the Texas Tech School of Art from any and all liability due to injuries, damage or death arising or resulting from any act of omission, express negligence or otherwise, of said Texas Tech University officers, advisors, agents or employees and other officers or member of the Texas Tech School of Art or any other person or participant in said activities while attending the activities. The terms hereof shall also serve as a release and an assumption of risk for my minor child's heirs' executor and administrator, and for all members of my child's family and be pleaded as a bar to litigation.

Jurisdiction of this matter and venue shall lie in Lubbock, Lubbock County, Texas.

I, the undersigned, on behalf of my Minor Child agree to indemnify and hold Texas Tech University, its Board of Regents, and all the University's officers, agents and employees harmless from and against any and all personal injury. I am above the age of eighteen (18) years and have read this Release and Hold Harmless Agreement and understand and voluntarily accept its terms.

COVID-19 PRECAUTIONS + Back-Up Plan

Required Use of Masks/Facial Coverings by Students in Class

The Texas Tech University System has implemented a mandatory [Facial Covering Policy](#) to ensure a safe and healthy classroom experience. Current research on the COVID-19 virus suggests that there is a significant reduction in the potential for transmission of the virus from person to person by wearing a mask/facial covering that covers the nose and mouth areas. Because of the potential for transmission of the virus, and to be consistent with the University's requirement, students in this class are to wear a mask/facial covering before, during, and after class. Observing safe distancing practices within the classroom by spacing out and wearing a mask/facial covering will greatly improve our odds of having a safe and healthy in-person class experience. Any student choosing not to wear a mask/facial covering during class will be directed to leave the class and will be responsible to make up any missed class content or work.

If our camp must transition to virtual learning due to spikes in COVID-19 cases, students will have the option to participate in workshops and studio time via distance learning. More information will be posted regarding this potential issue in the weeks leading up to the camp. Thank you for understanding!
