Lace Up 806

The annual Lace Up 806 benefit event held on August 6 is always a sold-success, making a direct impact on local students' lives in the Lubbock area. Instead of showing up in your best outfit, attendees are encouraged to put on their favorite sneakers and street wear. When they arrive they are able to enjoy a live auction, short mission-focused programming, bid board, cocktails, a best sneaker competition, and live music. All of this to support Communities in Schools of the South Plains!
