# EYEDENTITY

An APP CAMPAIGN that is designed to help people find their perfect pairs of glasses easily through one app. For this project, the unique features of individuals are emphasized through SHAPES and the variety of shapes building the faces.

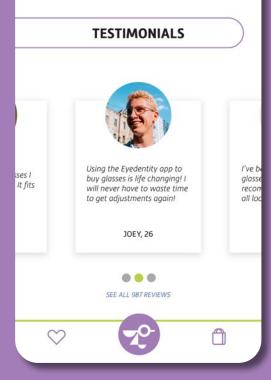

#### WHAT IS EYEDENTITY

Eyedentity provides a functional and innovative eyewear service that ensures an easy process to finding your perfect pair(s) of glasses.

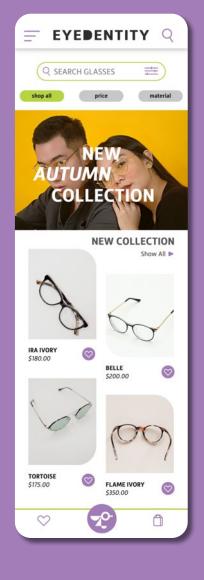

### = EYEDENTITY Q

Our new facial mapping technology allows us to help you find the best frames for you. We take your face shape in consideration, to make sure your glasses suit you. We also assess your nose bridge and face width to make sure it's a comfortable fit.
