Courses in this core component area focuses on consideration of the Constitution of the United States and the constitutions of the states, with special emphasis on that of Texas. Students who complete their government requirement outside of the State of Texas or from a Texas private institution will need to prove a transcript that verifies they have taken a course with the requires Texas and United States constitution content. If verification is not provided, students may be required to complete **POLS 2107, Federal and Texas Constitutions, to ensure they have attained the required competency.*
