

**Texas Tech University  
College of Arts and Sciences Committee on Academic Programs  
(ASCAP)**

**Minutes  
Meeting of January 24, 2005**

The eighth scheduled meeting of the Arts and Sciences Committee on Academic Programs convened at 3:00 pm. on Monday, January 24, 2005 in Holden Hall 129. Members present were Corbett, Curzer, Geryk, Holaday, von Ende, Troyansky, Weinberg, and Stewart (Chair). Presenters in attendance were Dr. Paul Johnson and Professor Helen Morrow (SASW), Drs. Steve Richards, Lanie Dornier, and Clark Dicken (HESS), and Maj. Foster Hudson (MILS).

ASCAP voted to recommend approval of the following proposals:

<i>Add New Course</i>	<b>S W 4300 Independent Study in Social Work</b>
<i>Add New Course</i>	<b>ESS 5308 Motor Control</b>
<i>Add to General Degree Requirement options in Physical Fitness &amp; Wellness</i>	<b>MILS 3301/3302 Leadership and Problem Solving MILS 4301/4302 Officership</b>

In other business, committee briefly discussed its upcoming visit (January 31) with the *Phi Beta Kappa* site team (2:30-3:30, 150 Administration Bldg.). A couple of members will be unable to participate in that visit due to schedule conflicts, but it appears a quorum will be present.

The meeting adjourned at 3:35 pm.

The next scheduled meeting of ASCAP is February 14, 2005, for proposals reaching committee by February 7.

**NOTE:** Course and curriculum proposals targeted for appearance in the print version of the *2005-2006 University Catalog* will need to be heard and cleared through ASCAP no later than the February 14 meeting for graduate proposals, and the March 7 meeting for undergraduate proposals. Items from proposals approved thereafter may still appear in the electronic (HTML) version of the catalog.
