

**Texas Tech University  
College of Arts and Sciences Committee on Academic Programs  
(ASCAP)**

**Minutes  
Meeting of October 24, 2005**

A scheduled meeting of the Arts and Sciences Committee on Academic Programs convened at 3:00 p.m. on Monday, October 24, 2005 in Holden Hall 129. Members present were Corbett, Curzer, Hubbard, Neusel, vonEnde, and Stewart. Presenters in attendance were Drs. Rick Carter and Rhonda Boros (HESS) and guest was Dr. Gill Reeve (Office of Strategic Planning).

1. The committee voted to recommend favorably to the next level the following proposal with minor revisions.

ESS 5306 Biomechanics of Exercise and Sport, *Proposed change in title and description*  
Approved with revisions to the proposed description as discussed in the meeting.

2. Gil Reeve discussed with the committee its role in reviewing and reporting on the academic departments' plans for degree program learning outcomes and assessments, due in the Dean's office by December 15. ASCAP will review the plans in January.

The meeting adjourned at 4:40 p.m..

The next scheduled meeting of ASCAP is November 14, 2005, for proposals that reach committee members by November 7, 2005
