Coursework

This section should list all courses to be attributed to the student's degree with course prefix and number. For courses with variable credit hours (BIOL 6000, 7000, 8000), write the number of planned hours in parenthesis. For courses with multiple titles, include the title of the course (i.e. BIOL 6301 - Phylogenetics). For transfer coursework, attach a separate word document with transfer institution, transfer course and TTU equivalent (also write the TTU equivalent below).
