

Minor in Biology

The Biology minor requires 18 hours of course work to include:

BIOL 1401(BIOL of Plants) & BIOL 1402(Biology of Animals) – These classes are for student who do not intent to apply to Medical, Dental, Optometry, Pharmacy, PA, or most PT schools

OR

BIOL 1403 (Biology 1), & 1404 (Biology 2)

The remaining 10 hours must come from classes designated BIOL, BOT, MBIO, or ZOOL

- 6 of those hours must be 3000-4000 level classes taken at TTU
- The remaining 4 hours may be 1000-2000 level
- Only 1 hour of research credit (BIOL 4100) may be used to fulfill the minor requirement.
