

CAREER DEVELOPMENT CHECKLIST

This checklist is your guide to the job search process. The activities within each category do not need to be done in order. Just save this checklist to your computer and check them off as you go!

ONGOING ACTIVITIES

- Find a part-time job (on- or off-campus)
- Join us for various webinars on career development
- Attend UCC fairs and events
- Get involved in student organizations
- Gain volunteer experience
- Google yourself and periodically check your social media accounts for comments or photos that could harm your job search
- Be aware that Internet information is cached and can be found even if it is removed
- Be aware that many employers will require a drug test

FIRST YEAR & SOPHOMORE YEAR

- Create your account on Hire Red Raiders, our online job board www.hireredraiders.ttu.edu
- Take the FOCUS and/or Strong Interest Inventory career assessments
- Visit with a career counselor as you research occupations you may be interested in
- Declare a major
- Start developing a resume

JUNIOR & SENIOR YEARS

- Schedule a meeting with a career counselor to have your resume critiqued and discuss job search strategies
- Check Hire Red Raiders periodically for job postings in your field of interest
- Find an internship
- Select 3-5 references for job applications and request permission to use them
- Participate in mock interviews with a career counselor
- Research employers
- Update your resume regularly and keep the most updated version on Hire Red Raiders and LinkedIn
- Join the TTU Career Center Networking Group on LinkedIn
- Order a free credit report from Equifax, Experian, or TransUnion to know your credit status
- Make sure your outgoing voicemail message is professional
- Create or maintain a professional email address to use in correspondence with employers
