General Announcements
Events and Opportunities for all Texas Tech Students

Survey on Diversity, Equity, Inclusion, and Belonging at the University Library!

We invite all TTU students to complete a survey about student perceptions of diversity, equity, inclusion, and sense of belonging at the University Library. If you participate, you will answer questions about your experiences at the University Library and provide demographic information about yourself. When you complete the survey, you may volunteer to participate in a one-on-one interview to elaborate on your perspective. The survey will take approximately 5-15 minutes to complete and will remain open until December 6, 2022. We encourage you to take the survey today at surveymonkey.com/r/GQVBXKF. It is important that we understand all students' experiences, backgrounds, and information needs. The results of this study will help us make improvements to services, spaces, and employee training to better support student success. We greatly appreciate your help and thank you for your participation! This study is being led by Esther Medina De León from the University Libraries at Texas Tech University. You can contact her at esther.de-leon@ttu.edu or call (806) 834-5563. This study has been approved by the Human Research Protection Program of Texas Tech University (IRB2022-360).
64th Carol of Lights: Celebrating a Century

This annual event, sponsored by the Texas Tech Residence Halls Association, is attended by over 20,000 Tech students and local residents. The Carol of Lights® is one of Texas Tech's largest and oldest traditions. The event brings together the Texas Tech and Lubbock communities during its ceremonies. The 64th Annual Carol of Lights will serve as the kickoff for Texas Tech's Centennial Celebration. This annual event is attended by thousands of students, alumni, and members of the Lubbock community and is one of our largest and oldest traditions. This year, the program will be reimagined with live entertainment, new staging, lighting, sound, and a firework display to conclude the night.

Join MANRRS!

Looking for some new friends? Join the Minorities in Agriculture, Natural Resources, and Related Sciences (MANRRS) organization! We focus on fostering academic/professional development opportunities and advocating for the agriculture industry. You don't have to be a minority or agriculture-related major to join. Everyone is welcome! Follow us on social media for updates about meetings and social events: @manrrsttu For more information about the organization contact Sandra.Addo@ttu.edu.

Learn How to Dance with the Latin Dance Club!

LDC is a student organization focused on providing Red Raiders the opportunity to learn social Latin Dances. We have taught lessons for dances such as Salsa, Samba de Gafieira, & Zouk, and we are excited to add new dances to the list this semester. No experience is required! Partners are highly recommended but not a requirement. Follow us on Instagram @latindanceclubttu for updates about weekly practices and events! You can also request to be a member on TechConnect https://ttu.campuslabs.com/engage/organization/latin-dance-club to be added to our email list.
