Orientation Services wants you to join the team!

JOIN OUR TEAM Do you want to make a lasting impact on campus, share your school pride, and work in a fast-paced environment this summer? Orientation Services is hiring two important teams this summer - Red Raider Orientation Crew and Red Raider Camp Counselors. Our teams work to welcome new incoming students Texas Tech University and help start their journey as a Red Raider! Applications will open soon. For more information and our application, visit our website.

Looking for volunteer opportunities while making an impact? Help out at a robotics competition!

The Whitacre College of Engineering STEM Outreach Program is looking for individuals and organizations to volunteer for one of its biggest robotics programs, FIRST Tech Challenge. In FIRST Tech Challenge, middle school and high school students must design, build, program, and present a robot that competes in a themed robot game that changes every year. Through FIRST Tech Challenge, students learn the assortment of skills in STEM needed to become future innovators and leaders in the workforce! Due to the program's growth, there are now multiple robotics leagues in Lubbock needing volunteers to help provide an experience that will impact students' lives forever! There are an assortment of roles available, from robot inspector, to referee, to judge, and many more. Robotics experience is not required and food and training will be provided. Volunteers can receive a certificate or signature for services hours if requested. Those interested in volunteering can fill out this form. Questions about volunteering for FIRST Tech Challenge can be sent to garrett.smith@ttu.edu.
Food Insecurity Nutrition Education Research Study

We are looking for participants to be a part of our Food Insecurity Nutrition Education Study. Participants that are randomized into the intervention group will participate in weekly education sessions including lectures, activities, and even cooking sessions. We will cover topics such as nutrition, physical activity, sleep, stress, oral hygiene, and more. Participants that complete all data measures will receive $50 in gift cards.

If you have any questions, contact Kenneth Rogers.

WANT TO IMPROVE YOUR NUTRITION & HEALTH?
JOIN OUR FINE STUDY TODAY
COMPENSATION ($50 IN GIFT CARDS!)

If you are an undergraduate student wishing to learn more about nutrition, physical activity, sleep, and stress; we invite you to participate in our Food Insecurity Nutrition Education (FINE) study.
For more information contact us at kenneth.s.rogers@ttu.edu or oak.hoc.park@ttu.edu (906-834-0291).
