

International Week Bingo

The International Engineering Program invites all undergraduate students on campus to explore the ways that TTU is an international campus. Students from all majors are invited to participate in a campus Bingo game and are welcome to use contacts in their own departments.

Rules

Complete any BINGO line for 1 entry into the contest. Complete a “blackout” for 3 contest entries.

Students who complete a BINGO (any line) will win a voucher for complementary appetizer from Aspen Creek Grill, queso from Bone Daddy’s, or an entrée from PotBelly, while supplies last.

(Bring your card to 203E Holden to claim a prize beginning at 1pm on Tuesday 10/3/23. Students can then take the card back if they want to finish the card for “blackout” and return it at the end of the week.)

On Friday at 2pm, grand prize winners will be selected. Students can only win one of these prize packs (but can still win if they were one of the initial winners).

Paper entries must be received by noon on Friday 10/6/23. Entries can be dropped off to Holden Hall room 203E throughout the week or brought to the International Engineering Program table at the Study Abroad fair on 10/5/23. Winners will be notified by email on Friday with details for collecting their prize.

Where you collect signatures, have a brief conversation with the person about their international experiences!

Contest Prizes include:

- A packet of restaurant gift cards and vouchers worth approximately \$25 (multiple available)
- A packet of restaurant gift cards and vouchers worth approximately \$50 (2 available)
- A Grand Prize packet of restaurant gift cards and vouchers worth approximately \$75 (3 available)

Grand Prize packets include a \$35 (1 available) or \$20 (2 available) voucher from Aspen Creek Grill.

Other local restaurants that have contributed include: TTU Hospitality Services, La Madeleine, Bone Daddy’s, PotBelly, Chili’s, Torchys, and Chick-fil-a.
