Environmental Health & Safety

MEMORANDUM

DATE: May 22, 2012
TO: All Satellite Accumulation Sites
FROM: Environmental Health & Safety
SUBJECT: Updated Waste Accumulation Policy

=====

RE: Waste Accumulation Policy

Environmental Health and Safety is amending the policy on Satellite Accumulation Waste Site thus allowing them to accumulate no more than 90 days or containers three quarters full (3/4) and no more than 55 gallons on site.

This is to take effect immediately and will allow sites to change the previous thirty (30) day policy. Amend any previous policies or standards currently in effect.
