# ENGINEERING AMBASSADORS

## What We Do:

---

Engineering Ambassadors are representatives of the Whitacre College of Engineering. Typical duties include:

- Assisting with the University Days, Job Fairs, Distinguished Engineer Awards Luncheon, and all other events hosted by the EOC
- Communicating with Prospective students
- Giving tours of the Engineering facilities
- Speaking to civic groups and high school students
- Helping EOC meet the demand for resume critiques

## Qualifications:

---

- Currently enrolled in the Whitacre College of Engineering
- Overall GPA of at least 3.0
- Must have one long semester fully completed as an undergraduate student at time that application is received
- Must have three long semesters left starting in Spring of 2021
- Students who are in the ExploreSTEM program are not eligible to apply

## Process to Apply:

---

- Fill out application attached to this email and send to [wcoengineeringambassadors@gmail.com](mailto:wcoengineeringambassadors@gmail.com). Please turn in application no later than October 16<sup>th</sup> @ 5 PM with a current resume and headshot photo attached.
- Applications chosen will receive an invite to a virtual Meet & Greet. Those chosen to move forward will be interviewed by the current officers of the Engineering Ambassador organization. From here, interviewees selected will become EAs!
- Please attend our virtual Engineering Ambassador Info Session on October 5<sup>th</sup> @ 7 PM for more details about Engineering Ambassadors. Attendance is strongly encouraged.
